ANZHNCS ASM 2024

29 - 31 August 2024

Sofitel Melbourne on Collins Melbourne Australia

Collaborating to Redefine the Landscape of Head & Neck Cancer Care

COMPANY INVITATION

Dear Colleagues,

We are very excited to invite you to join us for the 25th ANZHNCS Annual Scientific Meeting (ASM) to be held at the Sofitel Melbourne on Collins, in Melbourne from 29 - 31 August 2024.

The theme ***“Collaborating to Redefine the Landscape of Head & Neck Cancer Care”*** highlights our continued endeavours towards optimising patient outcomes and ongoing efforts in interdisciplinary collaboration, respect, expertise and inclusiveness. Head and neck treatment has evolved greatly over recent years and we move into an era of emerging new therapies such as immunotherapy, an era of redefining some treatment algorithms and appropriate de-escalation and importantly, an era where more emphasis is placed on survivorship and patient long term functional needs. ANZHNCS ASM 2024 in Melbourne aims to bring together all disciplines (medical, dental and allied health alike) to share advances and focus on the crucial work that we all do.

We have a wonderful line up of invited guest speakers who will intrigue, inform and challenge us with their breadth of experience and wealth of knowledge. These speakers include:

Professor Renata Ferrarotto is a Professor and Director of Head and Neck Oncology Clinical Research of Department of Thoracic/Head and Neck Medical Oncology at the University of Texas MD Anderson Cancer Center. In this role, she dedicates time to patient care as well as to clinical and translational research.

Professor Clifton (Dave) Fuller is a radiation oncologist and Professor, Division of Radiation Oncology, the University of Texas MD Anderson Cancer Center, Houston, TX. His research efforts are focused on novel imaging methodologies and applications in target delineation and normal tissue assessment in patients receiving head and neck radiotherapy.

Professor Hisham Mehanna is a Head & Neck Surgeon and the Deputy Pro-Vice Chancellor, Chair of Head and Neck Surgery, and Director of the Institute of Head and Neck Studies and Education, at the University of Birmingham, UK.

Professor Heather Starmer is a Speech-Language Pathologist and Board-Certified Specialist in Swallowing and Swallowing Disorders. She is a clinical Professor in the Department of Otolaryngology - Head & Neck Surgery at Stanford University and the Director of Head and Neck Speech and Swallowing Rehabilitation at the Stanford Cancer Center.

Professor June Corry; 2024 ANZHNCS Chris O’Brien Orator is a radiation oncologist and a founding member and past president of the ANZHNCS and IAEO societies, a previous executive member of the TROG Cancer Research Group, previous Chair of the TROG ANROTAT NPC committee. Professor Corry is based in Melbourne, Victoria.

Melbourne is known for great coffee, excellent dining, iconic laneways, galleries, eye-catching street art and our famous weather; with four seasons in one day. We welcome you with much excitement, so please come network with us at ANZHNCS ASM 2024 and enjoy what the wonderful city of Melbourne has to offer!

Best wishes,

Dr Kevin Nguyen
ANZHNCS ASM 2024 Convener

ANZHNCS ASM 2024

29 - 31 August 2024

Sofitel Melbourne on Collins Melbourne Australia

Collaborating to Redefine the Landscape of Head & Neck Cancer Care

ORGANISING COMMITTEE

Convener

Dr Kevin Nguyen Otolaryngology, Head & Neck Surgeon, Head & Neck Reconstructive Surgeon Peter MacCallum Cancer Centre, The Royal Melbourne Hospital, Eastern Health, Melbourne, VIC

Committee Members

Dr Jacqui Frowen Speech Pathologist, Peter MacCallum Cancer Centre, Melbourne VIC

Dr Annette M. Lim Medical Oncologist, Peter MacCallum Cancer Centre, Melbourne, VIC

Dr Matthew Magarey ENT Head & Neck Surgeon, Peter MacCallum Cancer Centre, Melbourne, VIC

A/Prof Sweet Ping Ng Radiation Oncologist, Austin Health, Melbourne, VIC

A/Prof Felix Sim Oral and Maxillofacial/Head and neck surgeon, Melbourne Health and Barwon Health, Melbourne, VIC

Dr Alesha A. Thai Medical Oncologist, Austin Health and Peter MacCallum Cancer Centre, Melbourne, VIC

Ms Meiling Zhou Nurse consultant, Peter MacCallum Cancer Centre, Melbourne, VIC

ESTIMATED NUMBER OF ATTENDEES

300-350 delegates

WHO WILL ATTEND?

This meeting is designed for health professionals working in the area of head and neck oncology including ENT surgeons, general surgeons, oral and maxillofacial surgeons, plastic and reconstructive surgeons involved in head and neck, medical oncologists, surgical oncologists including endocrine surgeons, radiation oncologists, anatomical pathologists, radiologists, speech pathologists, nurses, dietitians, psychologists, dental specialists, physiotherapist, anaplastologists, all trainees, medical students and other health professionals.

MEETING DATE & VENUE

The ANZHNCS ASM 2024 will be held at the Sofitel Melbourne on Collins, VIC, Australia from Thursday 29 - Saturday 31 August 2024.

MEETING THEME

Collaborating to Redefine the Landscape of Head & Neck Cancer Care.

FORMAT

Face-to-face with on-demand content available after the meeting.

PROVISIONAL TOPICS

- The evolution of head & neck cancer care over the past decades, what new direction are we heading towards?
- Advances in immunotherapy
- Treatment de-escalation: When and how?
- An update on neoadjuvant immunotherapy?
- Re-irradiation in head and neck cancer treatment: When and how?
- How do we address the barriers to head and neck cancer care for our patients from regional and rural settings
- Meeting our patients survivorship needs; functional, speech, swallowing, psychosocial and sexual concerns

ANZHNCS ASM 2024

29 - 31 August 2024

Sofitel Melbourne on Collins Melbourne Australia

Collaborating to Redefine the Landscape of Head & Neck Cancer Care

INVITED SPEAKERS

International Invited Speakers

Professor Renata Ferrarotto - United States

Dr. Ferrarotto is a Professor and Director of Head and Neck Oncology Clinical Research of Department of Thoracic/Head and Neck Medical Oncology at the University of Texas MD Anderson Cancer Center. In this role, she dedicates time to patient care as well as to clinical and translational research. Her work focuses on the clinical development of new therapeutic strategies and novel methods for prediction and evaluation of treatment effects for patients with head and neck malignancies.

Beyond the most common head and neck squamous cell carcinoma, Dr. Ferrarotto has a special interest in rare cancers of the head and neck, particularly salivary gland cancers. She has conducted multiple investigator-initiated trials in the curative intent and metastatic settings.

Dr. Ferrarotto was a recipient of the ASCO Career Development Award in 2016, the Khalifa grant in 2016, a Stiefel grant in 2018, an Institutional Research Grant in 2020, three pilot grants from the Adenoid Cystic Carcinoma Research Foundation in 2000, 2021, and 2022, a DOD Impact Award in 2021, and an R03 grant in 2022.

Professor Clifton (Dave) Fuller - United States

Dr. Clifton (Dave) Fuller is Professor (tenured) and Distinguished Educator in the Department of Radiation Oncology, Head and Neck Section, at the University of Texas MD Anderson Cancer. He is an NIH Established Investigator physician-scientist with research focused on development of quantitative spatial (imaging)/non-spatial (semantic) informatics models of both oncologic outcomes and iatrogenic sequelae after head and neck cancer, integrated into patient care through prospective clinical trials.

After NIH NIA T25 pre-doctoral, NCI R25- and NCRR M01-funded medical student research experiences, Dr. Fuller gained expertise in human imaging physics in a NIBIB T32-supported joint PhD-residency program, before an NCI K12 Paul Calabresi Fellowship in clinical trials and imaging informatics as junior faculty. He is double-boarded, with certification in Clinical Informatics in addition to Radiation Oncology. This expertise led to a NCI P50-funded SPORE Career Development Award and subsequent research independence as Primary Investigator on 7 NIH R01-equivalent awards and two NSF awards.

Dr. Fuller also serves as co-PI of an NIBIB R25 physician-scientist fellowship program, and an NCI postdoctoral T32 grant to train the next generation of image-guided scientists. In 2021 he received the MD Anderson Distinguished Research Faculty Mentor award, and in 2023 was inducted into the Kenneth I. Shine, M.D. Academy of Health Science Education, a University of Texas System-wide scholastic honor society. In his institutional roles as Medical Director (Program in Image-guided cancer therapy), Research Director (Stiefel Oropharyngeal Cancer Research Program) and Divisional Lead (Radiation Oncology Strategic Initiatives), he is committed to multi-disciplinary research and patient-centric technology development.

ANZHNCS ASM 2024

29 - 31 August 2024

Sofitel Melbourne on Collins Melbourne Australia

Collaborating to Redefine the Landscape of Head & Neck Cancer Care

INVITED SPEAKERS

International Invited Speakers (cont'd)

Professor Hisham Mehanna - *United Kingdom*

Professor Hisham Mehanna is the Deputy Pro-Vice Chancellor, Chair of Head and Neck Surgery, and Director of the Institute of Head and Neck Studies and Education, at the University of Birmingham, UK.

Hisham's clinical interests are recurrence head and neck cancer surgery. He established and ran the UK's first clinic dedicated to the multi-disciplinary treatment of head and neck and thyroid cancer recurrence.

Hisham has a keen interest in clinical and translational research, heading a research team of 20 researchers, and holding over £17 million in research grants. The main area of his research revolves around improving the management of head and neck cancer through the use of innovative treatments and dynamic risk stratification and assessment. His research spans translational research, early and late phase clinical trials. He is chief investigator of several multicentre and multinational clinical trials, including the PET NECK trial (published in the NEJM in 2016), and the De-escalate study (Lancet 2018) and EPIC HPV (Lancet Onc 2023).

He is also the President of the Head and Neck Cancer International Group (the umbrella organisation of 22 national clinical trials groups), and past President of the British Association of Head Neck Oncologists (BAHNO), and past Chair of the UK's National Cancer Research Institute's head and neck group, responsible for all head and neck cancer research in the UK.

Professor Heather Starmer - *United States*

Professor Heather Starmer is a Speech-Language Pathologist and Board-Certified Specialist in Swallowing and Swallowing Disorders. She is a clinical Professor in the Department of Otolaryngology - Head & Neck Surgery at Stanford University and the Director of Head and Neck Speech and Swallowing Rehabilitation at the Stanford Cancer Center.

Professor Starmer's clinical and research interests include the communication and swallowing outcomes of individuals with head and neck cancer. She has a particular interest in the role head and neck lymphedema plays in swallowing outcomes.

Chris O'Brien Oration Keynote Speaker

Professor June Corry - *Australia (VIC)*

Professor Corry was the Head of the Peter MacCallum Cancer Center Head and Neck Service for 15 years and is now working with GenesisCare St Vincents Hospital Melbourne as a Head and Neck radiation oncologist and Chair of the GCC National Research Group.

Professor Corry has served as the President of the ANZHNCS, TROG Executive/Publications/ANROTAT committees, and the Chair of WCMICS and VCOG. She was a founding member of IAEO and currently co-PI with NPC IAEO project. She is on the editorial board of JCO, IJROBP, OO and Head and Neck journals. She has published over 140 manuscripts in peer-reviewed journals and multiple book chapters. She has a strong belief in collaborative clinical research and patient advocacy.

ANZHNCS ASM 2024

29 - 31 August 2024

Sofitel Melbourne on Collins Melbourne Australia

Collaborating to Redefine the Landscape of Head & Neck Cancer Care

TERMS AND CONDITIONS

The Sponsor and Exhibitor application to participate is an offer which is accepted by the Royal Australasian College of Surgeons (RACS) of the amount payable on making the Application.

Booking Conditions

Acceptance of sponsorship/exhibition applications will be subject to organising committee approval. The organising committee reserves the right to decline applications based on any association, direct or indirect, that does not uphold the objectives of the meeting.

Cancellation Policy

In the case of the cancellation of sponsorship, unless all sponsorship is resold RACS will reserve the right to retain monies received. In the case of the cancellation of an exhibition booth/s, please note that unless RACS is able to sell all booth/s, RACS reserve the right to retain all monies received. If the balance of payment on the booth/s is not received within the trading terms the allocated booth/s will be cancelled.

Attendance

The Sponsors and Exhibitors understand that all company attendees must register officially.

General Terms

The exhibitor agrees to be bound by the Exhibition General Terms and Conditions. Conditions set out in this "ANZHNCS ASM 2024 Sponsorship Prospectus" document, which is acknowledged as being received.

Booth Allocation

The exhibitor understands that booths and/or space will be allocated strictly in order of receipt of payment and that the organising committee's decision will be final.

Consequential Damage

The Organisers will not be liable for any indirect or consequential damages arising out of a breach of this exhibition contract.

Liability and Insurance

The exhibitor and the servants, agents and contractors of the exhibitor occupy and use the exhibition space/booth allotted under this exhibition contract and enter Sofitel Melbourne on Collins and act under or pursuant to this exhibition contract at their own risk. The exhibitor hereby indemnifies and releases the Royal Australasian College of Surgeons ("the Organisers"), Sofitel Melbourne on Collins ("the Venue Managers") and the exhibition contractor and each of them against all actions, suits, costs, claims and demands brought against the Organiser, and the Venue Managers by any natural person, firm or corporation for any damage or loss caused directly, or indirectly to, or suffered by any person, firm or corporation as a result of any act or default of the exhibitor or the servants, agents, contractors or invitees of the exhibitor or resulting directly or indirectly from the attendance of the exhibitor at the exhibition, including travel to and from such venues and without limiting the foregoing the Organiser and the Venue Managers or any of them shall not in any circumstances be liable for any loss damage or injury which may occur to the exhibitor or the servants, agents or contractors of the exhibitor or for any damage to their property including damage to exhibits, plant equipment, fixtures, fittings or other property whatsoever or for any loss of profits

which they may suffer howsoever caused. It is strongly advised that each exhibitor seek to cover their equipment, exhibition and display material with adequate insurance and also effect public risk insurance at the expense of the Exhibitor.

Variations

The Organisers may in the event of any circumstance which renders it necessary vary the booth or stand space allocation and the exhibitor will accept such re-allocation without any claim for a reduction in charges or otherwise.

Implied Warranties

In the event any statute implies any term condition or warranty into this agreement which cannot be lawfully excluded, such terms will apply to this agreement, save that the liability of the Organisers and each of them for breach of any such implied term will be limited, at the option of the Organisers, to any one or more of the following:

- the placement of goods to which the breach relates or the supply of equivalent goods
- the repair of such goods
- the payment of the cost of replacing the goods or of acquiring equivalent goods, or
- the payment of the cost of having the goods repaired.

Security

Sofitel Melbourne on Collins' security operations provide fundamental perimeter security in the complex but beyond this, the Organiser, and the Venue Manager and their officers and employees, separately or collectively are not responsible for any damage to or for the loss or destruction of an exhibit, from fire or theft or accidents or injury resulting from such causes. Additional security requirements should be discussed between the exhibitor and Venue Manager directly.

Additional Conditions and Regulations

The exhibitor and the servants, agents, contractors and invitees of the exhibitor are also to observe the conditions, rules, regulations and procedures as set out in the exhibition manual of Sofitel Melbourne on Collins, as revised and added to from time to time and which is available for inspection on request.

Unavoidable Occurrences

In the event that the exhibition is cancelled or delayed through no fault of the Organiser, the Venue Manager or the Sponsors/Exhibitors including but not limited to fire, flood, labour disputes, natural disasters, acts of God, epidemics, pandemics, civil disorders, riots, insurrections, work stoppages, slowdowns or disputes, or other similar events then the exhibitor shall not be entitled to any refund or to claim for any loss or damage.

Assignments and Subletting

No exhibitor shall assign, sublet or share the whole or any part of the space booth allotted without the knowledge and consent of the Organisers.

Hours

The Organisers shall determine the hours during which the exhibition shall be conducted and as to hours of access for exhibitors including variations of such times as shall be necessary.
