

SINGAPORE

The Little Red Dot

Multi-Racial Country

Singapore's different ethnic groups come together as one united people, without giving up their culture or beliefs. English, Malay, Tamil and Mandarin are some of the most common spoken languages

Weather

Sunny Singapore temperatures at an average about 23 to 32°C, with monsoon seasons from Nov to Feb

Transportation

It is easy to book a car! Taxi and private hires are alternative ways to get around conveniently. It is only a 20min ride from the Terumo Office to the airport. Simply download ride hailing apps such as **Comfort Delgro**, **Gojek** or **Grab** to book your ride!

Simply access your app store to download

Public Transport

Public train and buses are known as MRT or SMRT. Convenient and affordable, it is often the most common option in Singapore. Buy an EZ-Link card or use a credit card to skip queues!

Food

Food is an obsession in Singapore. It forms an important part of our national identity and is viewed as a unifying cultural thread. We enjoy all kinds of foods, from cafe, restaurant, to hawker centers!

Make use of food delivery apps such as **Food Panda**, **Grab Food** and **Deliveroo** to search for good food that is near you!

Just a 5min walk from the Terumo office, you can find local favourite hawker centers such as **Golden Mile Food Center!** Hawker center are open-air complexes that sells a wide variety of food at affordable prices.

01

TRAVEL REQUIREMENTS

All travellers entering Singapore are required to submit a Singapore Arrival Card (SGAC) before arrival.

Scan to access and submit your SG Arrival Card

Singapore 199555

TASK SPACE

There are flexible spaces all over the office to support your work productivity and efficiency. Hot desking allows you to choose a place most suited to your needs while being supported by effective ICT and logistic systems.

COLLABORATION SPACE

Be it an official board meeting, a small group huddle, or even a one-on-one chat, there are numerous meeting spaces within the office curated to your specific needs.

WELLNESS SPACE

We value your physical and mental wellness, and we understand the importance of taking small breaks between work. Make use of the various wellness spaces within the office space to relax.

Entering the TAP Office

If you are not issued an office card, head to the concierge to receive an entry card. Take the lift on Level 1 to Level 37 (These lifts serve odd floors from Level 25 to 39). On arrival at the TAP office, contact an Associate to have the front door opened for you!

How To Connect To The Terumo Wifi
