Mastering the FET :

Navigating Challenging Situations and Ensuring Long-Term Stability Workshop

Master the Frozen Elephant Trunk (FET) technique through expert-led case discussions and hands-on simulation. This workshop equips participants to refine their clinical decision-making, understand the drivers of aortic remodeling, and confidently manage challenging acute aortic emergencies.

THURSDAY 7 MAY 2026
0900-1230

Terumo Asia Skill Lab
300 Beach Road #37-01,
The Concourse, S199555

**MALAKH
