

NEWSLETTER DAY 1

1 October 2021

WELCOME TO APSC 2021 VIRTUAL PLATFORM

APSC Congress 2021 is one of the largest cardiology events in the region of Asia-pacific. This meeting is packed with late-breaking science, essential clinical updates, hundreds of world-renowned international faculty from Asia-pacific as well as Europe and The US. It's also the opportunity to connect with colleagues from around the globe, thanks to the new technology to bring us closer.

Over the full 3 days, there has a line-up of more than 40 scientific sessions spanning over the field of adult and pediatric cardiovascular disease either in cardiology-intervention and cardiothoracic surgery. The sessions include state-of-the-art lecture, multi-disciplinary symposia and special joint symposia of ESC/APSC and ACC/APSC. The faculty of each session will be available to address the questions live or through the interactive Q&A.

If you miss a face-to-face meeting, join the meeting hub on the virtual platform and you can stay connected with your friends and colleagues on video call or chat. More than 100 research papers from around the globe are available at the e-poster gallery.

Our exhibitors will also showcase their new products, therapies and on-going research work at their virtual booths which you could browse their materials or connect to find more as much as you prefer.

For those who have not received the PIN to join this exciting moment or having trouble with login, please communicate with us via: secretariat@apsc2021thailand.com
