

## **Melita Swartz**

Melita has been the Human Capital Operating Partner at Allegro Funds since May 2020. Allegro Funds is an Australian owned private equity firm specialising in transformation investing with over \$4bn in assets under management.

Melita works as part of Allegro's Operating Partner team, working together with Allegro's investment team and portfolio company leadership teams to help drive transformation and strategic outcomes for each Allegro investment. She works closely with CEO's and people leads, providing strategic advice and supporting the design and delivery of people and culture strategies. She is also a member of the Board People & Remuneration Committee's for each portfolio company.

As Human Capital Operating Partner, Melita Swartz brings over 20 years' experience working in executive leadership roles working under private equity ownership, specialising in HR, people and culture, leadership, capability and organisational development. Prior to joining Allegro, she held the role of General Manager of HR & Organisational Development for 15 years with Australia's largest private radiology services provider, I-MED Radiology (a previous portfolio company of Allegro Funds).
