

Josh Hallowell

Josh Hallowell is an Executive Manager - Valuation & Advisory at Pickles.

Josh has 20 years' experience in managing major valuation and remarketing projects under instructions from insolvency practitioners, financiers, credit funds, private equity firms, insurers, government departments, corporates and legal practitioners. Josh is American Society of Appraisers (ASA) – Accredited Senior Appraiser, and regularly conducts plant and equipment valuations in the mining, construction, infrastructure, transport, manufacturing, medical, agriculture and automotive sectors. Josh has assisted a range of legal practitioners with the preparation of expert witness valuation reports, including undergoing cross examination in proceedings.
