

Richard Gwilym

Richard is the Acting CEO and Advisory Leader of Scyne Advisory. Scyne's vision is to become *the* public purpose specialists who support governments and their agencies to deliver services to Australians, helping government to build more resilient, equitable, secure and prosperous communities.

Richard has been responsible for the set-up, establishment, and stabilisation of Scyne since day 1 in November 2023. Prior to joining Scyne Richard was a Partner in PwC's Consulting business with more than 20 year's experience assisting clients in the public and private sector with technology enabled Strategy and Transformation.
