

Diane Rutter

Diane Rutter is the Practices & Assets Lead at Scyne Advisory where she is responsible for ensuring that Scyne has the right people, skills and capabilities to deliver on the strategy and client needs.

Diane has over 19 years of experience working in management consulting, and has established herself as an expert in partnering with her clients to improve their customer experiences, enabled by data and digital. She has worked extensively across areas such as Social Services, Health, Transport and Justice.

She is passionate about collaborating with government to rebuild trust and deliver improved social and economic outcomes by putting citizens needs at the forefront of policy design and service delivery.

Her mission is to maximize the strengths of everyone's unique differences and support her team to build a work environment that is equally represented.
