# Bookable. BOOKINGS

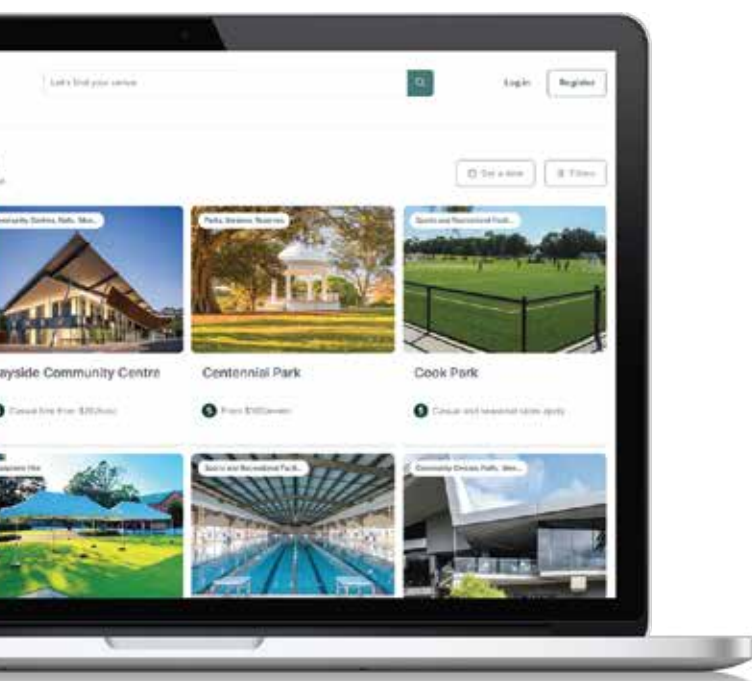

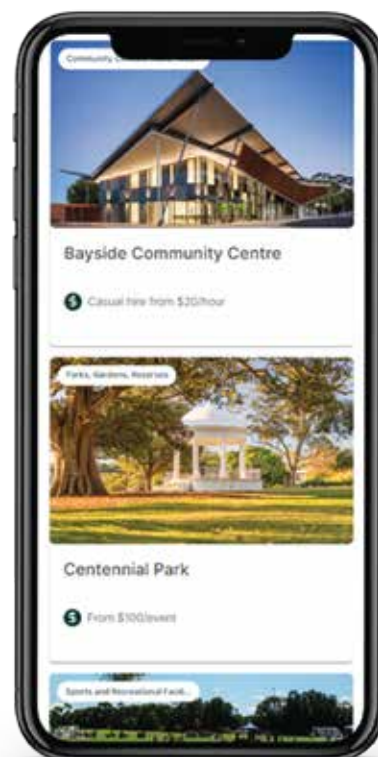

## Support for all Council venues

Our customers use Bookable for online bookings across a wide range of Council's venues and facilities including community centres and halls, parks and reserves, sportsgrounds to overnight accommodations venues and single bookable items.

## Integrated into Council's IT ecosystem

Leverage our integration with the major LG Financial System General Ledgers and leading payment gateway providers to bring Bookable into Council's IT ecosystem.

Simplify and automate GL posting and reconciliation and get online payments directly into Council's bank, or take payments via PayPal, Direct Debit, BPay, EFTPOS and over the counter.

## Automated pricing and invoicing

Fully automate even the most complex pricing to allow your customers to make and manage their bookings online and be sure they are always getting the right price.

No more manual invoicing as Bookable automates all invoicing based on Council's payment terms.

## Simple customer experience

Allow your customers and stakeholders to search, book, pay and manage their bookings online across one-off, repeat and seasonal bookings within a single solution.

One place for all bookings across Council.

FOCUSED. REFINED. HELPFUL.

# Bookable. EVENTS

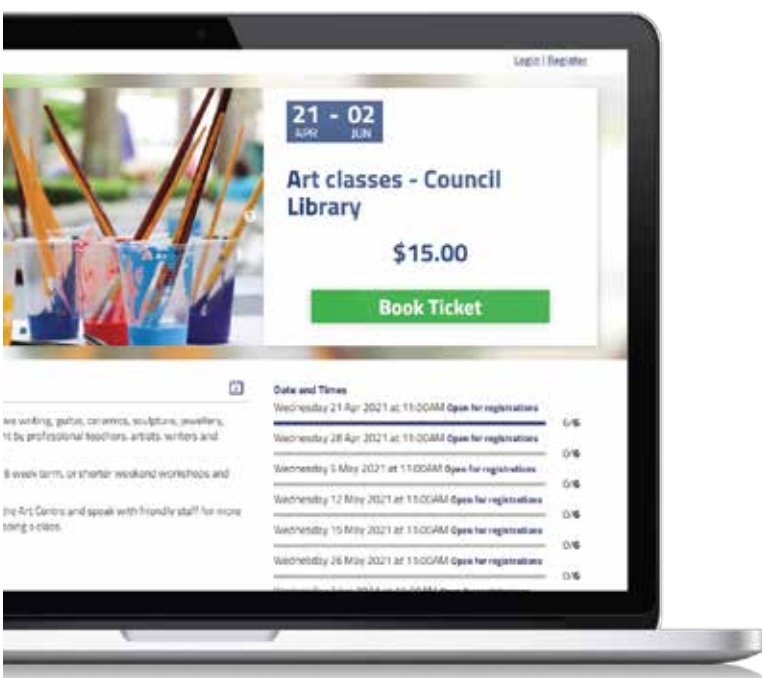

## All tickets, all online

Specifically designed to handle all the types of events that councils run. Whether it be free or paid events, single date or repeat events, courses or classes, general admission or allocated seating events, Bookable's Events module handles them all.

## Flexible pricing

Define and manage different pricing options from flat fee to adult, concession and child style pricing plus discounted pricing for Council's different customer types, number of tickets sold per transaction, early bird tickets and much more.

## Easy setup and publishing

Easy setup and maintenance of Council events and courses.

Create a new event from scratch or simply copy an existing event, update details and publish, it's that easy!

## Simple customer experience

Consolidate ticketing for all of Council's events, classes and courses onto a single, user friendly platform.

One place for all ticketing across Council.

FOCUSED. REFINED. HELPFUL.
