The event

The sector

Universities Australia is the peak body representing Australia's world-class universities.

The education sector is a significant economic driver, contributing \$48 billion to exports in 2023. It is our largest services export.

With more than 200 campuses around Australia and offshore, Australian universities educate more than 1.4 million students and employ more than 110,000 full-time equivalent staff.

The delegates

Approximately two-thirds of the attendees are from Australian and overseas universities, with the remainder from government departments and agencies, ministerial offices, affiliated peak bodies, business representatives and higher education-related lobby groups.

Who should partner and exhibit?

Universities Australia would be delighted to discuss partnership opportunities with any organisations interested in being involved in the 2025 Universities Australia Solutions Summit. Your involvement as a partner will provide opportunities to network, support and work with the higher education sector, and will be widely promoted in the lead up to and during the summit.

Involvement in this summit would lend itself particularly well to:

- higher education organisations
- training organisations
- learning application developers
- consultancies
- local, state and federal government
- financial organisations
- HR solutions
- accounting software developers
- collaboration tool developers
- content management solutions developers
- facilities management solutions
- IT support services
- assisted learning technologies
- internet based learning providers
- technology companies (products and services)
- board and governance portal platforms
- marketing and advertising companies
- furniture providers
- audio visual suppliers

Program

The Universities Australia Solutions Summit will explore how universities, working in partnership with government and industry, make Australia a more successful and better prepared nation for the challenges and opportunities ahead of us.

The program is stacked with key national and international speakers who generate news, stimulate debate and drive changes in the higher education policy environment.

Vice-Chancellors, Chancellors, senior university decision makers and senior managerial staff support this summit as chairs, speakers and delegates.

The Minister for Education, other key members of government and members of the Opposition are invited to participate.

The Universities Australia Solutions Summit has been incredibly successful with the number of delegates growing steadily over the years and it is expected to continue expanding.
