

What participants, families and stakeholders say about us?

I've been a recipient on the NDIS with AbilitySeer for over a year and I can say that it's been a pleasure meeting and having amazing supports to help me through my days. The team at AbilitySeer are always professional when it comes to my needs and what I'm looking for throughout my experience with them.

-T M

I find Tim to Be a true professional. He genuinely cares about his NDIS clients. And seeks to attain them best results from the NDIA together encourages his clients to be active & attain healthy lifestyles.

-J W

Always been good to me. I am totally happy for the service I have been getting from ability seer

-S G

Abilityseer guys are great, they are very helpful

-A C

It is great to work with other providers to ensure participants receive the best service. Tim and the AbilitySeer team are open and willing to collaborate with others and share their experiences. It is great being able to participate in the Community Of Practice for Support Coordinators.

Vision

Our vision is to live in a community in which everyone may exercise their rights and responsibilities, lead lives of value and dignity and pursue their dreams.

Mission

Our mission is to assert, promote and protect the rights and responsibilities of people with disabilities, people who are older, people experiencing mental ill-health, and people who are informal carers.

Tim O'Hare

Managing Director

Tim O'Hare holds degrees in Applied Economics and Laws from the University of Canberra and has over 20 years experience working directly with people with disability of all kinds, including three years as a Disability Advocate, NDIS Appeals officer (throughout ACT and Southern NSW), and 8 years as an NDIS specialist support coordinator. Tim has supported people with disability to achieve their residential, employment, and educational goals.

Our Guiding Principles

Social Justice

We strive to support our clients in the realisation of their goals and human rights, equitable access and fair and just outcomes

Integrity

We are transparent, authentic and ethical in our work, guided by human rights principles

Pursue Excellence

We are continuously learning and working in collaborative and innovative ways to effect positive change and meaningful outcomes for our clients

Reflective Practice

We continuously work to build trust, increase self-awareness and improve our practices through respectful and constructive dialogue
