Melbourne Convention & Exhibition Centre, Australia | AUGUST 13-15

**Together In Discovery & Care**

## PROSTATE CANCER AND SEXUAL HEALTH: NAVIGATING SEXUAL CONNECTION AND PLEASURE

**THURSDAY**  
**13 August, 2026**  
0830 – 1330

**Are you wondering how to practically support patients and their partners experiencing sexual dysfunction following prostate cancer treatment—using evidence-based approaches? This workshop is for you.**

Facilitated by passionate clinicians, this engaging and educational session will explore sexual dysfunction related to prostate cancer treatments, interventions for erectile dysfunction and management of low libido, intimacy and connection after prostate cancer treatment.

This workshop will advance your understanding of gay and bisexual men navigating sexual side effects of prostate cancer treatment. We will discuss how to create an inclusive and safe consultation space, highlight the questions that matter most, and share approaches to optimise sexual recovery and patient outcomes.
