

SMHR 2018 Conference Program Grid

WEDNESDAY 28 NOVEMBER 2018: DAY 1

8:00am - 7:00pm	Registration and Information Desk Open <i>SOFITEL Hotel Lobby</i>				
8:30am-10:30am	Conference Opening and Plenary				
<i>Room</i>	<i>Noosa Ballroom</i>				
8:30am - 8:45am	Welcome / Acknowledgement of Country				
8:45am - 8:50am	Conference Opening - Convenors: Jim Lagopoulos & Dan Hermens				
8:50am - 9:00am	Conference Opening Address - SMHR President: Frances Kay-Lambkin				
9:00am - 10:30am	Plenary Session 1				
<i>Chair</i>	<i>Frances Kay-Lambkin</i>				
9:00am - 9:45am	International Keynote Presentation - Barbara Sahakian - Supported by NeuRA Translational neuroscience: Early detection and improving cognition in neuropsychiatric disorders				
9:45am - 10:30am	National Keynote Presentation - Chris Davey Depression in young people: Setting the course for adulthood				
10:30am -11:00am	Morning Tea <i>Room: Lilly Pond Terrace</i>				
	Concurrent Session 1				
11:00am - 12:30pm	eMental Health Symposium: The Economics of Digital Technology in Mental Health	Physical Health in Mental Health Symposium: The Lancet Commission on "Improving Physical Health in People with Mental Illness": A Symposium on the Development, Progress and Initial Findings	Imaging	Suicide Prevention Symposium: New Perspectives in Suicide Prevention	Substance Use Symposium: Translating Neuroscience into the Addiction Clinic: Towards Effective, Personalised Accessible Clinical Care
<i>Room</i>	<i>Ballroom 1</i>	<i>Ballroom 2</i>	<i>Ballroom 3</i>	<i>Laguna 1</i>	<i>Laguna 2</i>
<i>Chair</i>	Mary Lou Chatterton	Joseph Firth	Kathryn Broadhouse	Philip Batterham	Rico Lee
11:00am - 11:12am	Economic evaluations of eMental health interventions: A scoping review Mary Lou Chatterton	The prevalence, burden, and key targets of physical health issues in mental illness: Identifying the scope and priorities for the commission Joseph Firth	Oral Presentations Corticostriatal functional connectivity and psychosis-like experiences in a non-psychiatric community sample Alex Fornito	Suicide stigma, suicide literacy and help-seeking attitudes and intentions for suicide in Australian adolescents Alison Calear	Mapping sex differences in the neuroanatomy of alcohol dependence: Findings from the ENIGMA Addiction Working Group Valentina Lorenzetti
11:12am - 11:24am	The cost-effectiveness of an internet intervention to facilitate mental health help seeking by young adults Long Khanh-Dao Le	"Improving Prescribing Practices"; Understanding, avoiding and mitigating side-effects of psychotropic treatment Dan Siskind	Preliminary evidence: Functional brain reorganisation in premanifest Huntington's disease using a modified stop-signal task Maria Soloveva	"In their own words": A qualitative study investigating motives for suicide attempt in adolescents and young adults Ally Nicolopoulos	Persistence of value-modulated attentional capture is associated with risky alcohol use Lucy Albertella
11:24am - 11:36am	Economic evaluation of stepped care for the treatment of youth anxiety Mary Lou Chatterton	"Going Multi-Disciplinary on Multi-Morbidity"; Implementing staff and service user behavior change to improve physical health Simon Rosenbaum	Recovery of water diffusion abnormalities in adolescents with anorexia nervosa Beatriz Martin Monzon	Suicide in adolescents exposed to the youth justice system: A 22-year retrospective data linkage study Rohan Borschmann	The MonCOG Project: Developing and validating a purpose-built, online assessment tool for addictions Rico Lee
11:36am - 11:48am	An economic evaluation of the Self-Management and Recovery Technology (SMART) research program in people with persisting psychosis Lidia Engel	"Innovations in Integration"; Looking beyond behaviour, to examine how a physical health culture can be integrated flexibly across mental health service settings Cherie Galletly	Reappraisal-related neural predictors of treatment response to cognitive behavior therapy for Posttraumatic Stress Disorder May Erlinger	The LifeSpan trial: Understanding how a multilevel suicide prevention approach will impact fatal, and non-fatal, suicide rates in Australia Helen Christensen	The effects of two smartphone-based cognitive training strategies on food choice in obesity Naomi Kakoschke

11:48am - 12:00pm	Developing an open source data analytic toolkit for optimising early psychosis services Matthew Hamilton	"Next Generation Solutions"; Using early intervention and novel treatments as protective approaches for preventing physical health inequalities in the next generation Eoin Killackey	White matter microstructural correlates of sleep quality, neuropsychological functioning and stage of clinical syndrome in young adults with affective disorders Jake Palmer	Targeted suicide prevention strategies for people with drug and alcohol comorbidities – What can big data reveal? Kate Chitty	Oral Presentations Overdose deaths in young people who have contact with the youth justice system: a whole-population retrospective cohort study Jesse Young
12:00pm - 12:12pm	Oral Presentations	Oral Presentations	Self-other processing: Neural correlates and relationship with social anxiety Laura Finlayson-Short	The relationship between depression symptoms and suicidal ideation: Evidence from an online trial Philip Batterham	Improving capacity of treatment services to better address co-occurring mental health and substance use disorders: Integrating perspectives from Australians with lived experience Emma Barrett
	Opportunities and challenges in large-scale dissemination of internet-based treatments for child and adolescent anxiety Sonja March	Stepping up early mental health treatment: feasibility and acceptability of a real-world exercise program for help-seeking youth with at-risk mental states Oscar Lederman			
12:12pm - 12:24pm	Enabling transdisciplinary collaboration in design and mental health: Engaging researchers, services, and end-users as partners through co-design Stoyan Stoyanov	KBIM Adult Group: A lifestyle and life skills intervention for adults with severe mental illness Rachel Morell	Examining genetic correlations of cortical surface area and thickness with neurological and psychological traits Katrina Grasby	Oral Presentations Development and evaluation of a National Mental Health First Aid Course for Aboriginal and Torres Strait Islander People Georgina Sutherland	Discussion
12:30pm - 1:30pm	Lunch and Poster Viewing <i>Room: Lilly Pond Terrace / Noosa Beach House Restaurant</i>				
1:30pm - 3:00pm	Plenary Session 2				
<i>Room</i>	<i>Noosa Ballroom</i>				
<i>Chair</i>	<i>Jim Lagopoulos</i>				
1:30pm - 2:15pm	Invited AUS/NZ Speaker Presentation - Sharon Naismith Sleep and body clocks: Are they relevant for depression and dementia?				
2:15pm - 3:00pm	Invited AUS/NZ Speaker Presentation - Phil Ward All together now – Implementing holistic care to improve physical and mental health outcomes for people living with severe mental illness				
3:00pm - 3:30pm	Afternoon Tea <i>Room: Lilly Pond Terrace / Noosa Beach House Restaurant</i>				
	Concurrent Session 2				
3:30pm - 5:00pm	<u>Personality, Biological Psychiatry</u> Symposium: Borderline Personality in Young People Aged 15-25 Years	<u>Workplace Mental Health</u> Symposium: Novel Approaches to Prevent or Treat Mental Disorder Amongst at Risk Workers	<u>Mental Health in Vulnerable Populations</u> Symposium: The Mental Health of LGBTIQ Young People	<u>Youth Mental Health</u> Symposium: Collaboration in the Classroom: Delivering Research Interventions in School Settings to Reduce Mental Illness and Substance Use Among Youth	<u>Symposium: Surf Therapy</u>
<i>Room</i>	<i>Ballroom 1</i>	<i>Ballroom 2</i>	<i>Ballroom 3</i>	<i>Laguna 1</i>	<i>Laguna 2</i>
<i>Chair</i>	Andrew Chanen	Samuel Harvey	Yael Perry	Bridianne O'Dea	Phil Ward
3:30pm - 3:42pm	A randomised controlled trial of the Making Sense of Borderline Personality Disorder psychoeducation program for family and friends of youth with borderline personality disorder pathology Andrew Chanen	A prospective study of pre-employment psychological screening to predict psychological injury amongst police recruits Ruth Marshall	Adapting an online depression prevention game with and for trans and gender diverse young people Yael Perry	teen Mental Health First Aid: Helping adolescents to better support their friends Laura Hart	The Next Wave: Building the evidence-base for surf therapy: A global perspective Phil Ward
3:42pm - 3:54pm	An evaluation of the effectiveness of a general health screening tool for improving clinical practice for physical and sexual health in a youth borderline personality disorder program Martina Jovev	The impact of communicating personal mental health risk profiles to working Australians in a smartphone app on distress and engagement: A non-inferiority randomised controlled trial Isabella Choi	Understanding the social and emotional wellbeing of Aboriginal and Torres Strait Islander LGBTIQ young people Ashleigh Lin	What works in secondary schools? A review of classroom-based body image programs Zali Yager	The complete package – Surfing, self-efficacy and stigma reduction for people living with mental health issues Joel Pilgrim

3:54pm - 4:06pm	Auditory verbal hallucinations in youth with borderline personality disorder Katherine Thompson	A smartphone application for preventing workplace depression: A randomised controlled trial Mark Deady	The impact of physical and sexual abuse on the mental health of trans young people Penelope Strauss	Mental health training programs for secondary school teachers: A systematic review Melissa Anderson	Comparing theories of change within surf therapy for differing global populations Jamie Marshall
4:06pm - 4:18pm	Outcomes of a randomised controlled trial of three forms of early intervention for youth with Borderline Personality Disorder Andrew Chanen	Results from a cluster RCT evaluating HeadCoach, an online mental health training program to help workplace managers better support the mental health needs of their employees Aimée Gayed	#Chatsafe – LGBTI+ Youth perspectives on a national social media suicide prevention campaign Michelle Lamblin	Internet-based prevention for alcohol and other drugs: An overview of the universal Climate Schools prevention programs Lauren Gardner	Miriam Hartmann
4:18pm - 4:30pm	Oral Presentations	The RAW (Resilience at Work) Mindfulness Program: Results from a cluster randomised controlled trial with Australian Firefighters Samuel Harvey	Oral Presentations	Smooth Sailing: An evaluation of a new online mental health service for secondary students Bridianne O'Dea	Surfing with the Jimmy Miller Memorial Foundation: Increasing hope among at-risk youth Kris Primacio
	Low quality of life among Australian women with comorbid personality and mental state disorders Bianca Kavanagh		Mental health, associated stigma and help seeking behaviour among the Afghan community in Australia Sanam Ahmadzada		
4:30pm - 4:42pm	Borderline personality features: Genome-wide association meta-analysis and genetic associations with other psychiatric traits Lucia Colodro Conde	Promoting and maintaining mental health in at-risk populations: Prevention is better than cure Jane Shakespeare-Finch	Recommendations for an effective mental health system for people with intellectual disability – Results from a major knowledge translation event Simone Reppermund	Oral Presentations	Tai Wātea (Waves of Freedom) Surf Therapy Programme - Client outcomes Krista Davis
4:42pm - 4:54pm	Do shared genetic factors explain the prediction of adult mental illness by childhood psychiatric symptoms? Christel Middeldorp	Oral Presentations	Characteristics and outcomes for individuals found Not Guilty by Reason of Mental Illness (NGMI) in NSW over 25 years: Results from the Forensic Patient Database (FPD) project Kimberlie Dean	The impact of an online stepped-care mental health service on secondary school counsellors' confidence and efficiency Catherine King	
5:00pm - 5:30pm	SMHR AGM, Ballroom 1				
6:00pm - 8:00pm	Welcome Reception, Poolside Terrace, SOFITEL Noosa Pacific Resort - Sponsored By CQUniversity				

THURSDAY 29 NOVEMBER 2018: DAY 2					
8:00am - 5:00pm	Registration and Information Desk Open SOFITEL Hotel Lobby				
7:00am - 8:30am	Early to Mid Career Researcher Breakfast - Sponsored by PREMISE Meeting Point: Laguna Room 1				
8:30am - 10:30am	Plenary Session 3				
Room	Noosa Ballroom				
Chair	Dan Hermens				
8:30am - 9:15am	International Keynote Presentation - Barbara Sahakian Cognitive inflexibility in obsessive compulsive disorder: Possible treatments to improve plasticity and flexibility and reduce symptoms				
9:15am - 10:30am	Frontiers for Young Minds Live Review				
10:30am - 11:00am	Morning Tea Room: Lilly Pond Terrace				
Concurrent Session 3					
11:00am - 12:30pm	<u>eMental Health</u> Symposium: Quality, Acceptability and Trust in Apps for Mental Health: How, Why and Where Next?	<u>Brain Stimulation Therapies, Mood Disorders</u> Symposium: Innovations in Therapeutic Brain Stimulation for Mental Illness	<u>Youth Mental Health</u>	<u>Psychosis</u>	<u>Epidemiology & Public Health, Ageing & Mental Health</u> Symposium: Innovations in Global Child and Adolescent Psychiatric Epidemiology
Room	Ballroom 1	Ballroom 2	Ballroom 3	Laguna 1	Laguna 2
Chair	Kit Huckvale	Manreena Kaur	Amanda Clacy	Dan Siskind	Holly Erskine
11:00am - 11:12am	Determining the efficacy of smartphone interventions for common mental disorders: independent meta-analyses for anxiety and depressive symptoms Joseph Firth	Targeting the brain-heart connection to personalise and optimise rTMS treatment for depression Manreena Kaur	Oral Presentations Physical activity interventions for young people with depression: Evidence and implementation Alex Parker	Oral Presentations The epidemiology of psychosis in Indigenous populations in Cape York and the Torres Strait Fiona Charlson	The global coverage of prevalence data for mental disorders in children and adolescents Meaghan Enright
11:12am-11:24am	The ins and outs of conducting a systematic app review Louise Thornton	A decade of rTMS in South Australia Cherrie Galletly	Planning mental health services for young people with severe, complex and persistent mental illness Kate Gossip	Does cortical brain morphology act as a mediator between childhood trauma and transition to psychosis in young people at ultra high risk? Cali Bartholomeusz	The impact of sampling methodology on the prevalence of autism spectrum disorder Damian Santomauro
11:24am - 11:36am	Sales patter or science? Markers of mental health app quality on the app stores Mark Larsen	Can mimicking sleep-related brain rhythms in the awake brain influence neuroplasticity in health and disease? Martin Sale	Evidence that different types of peer victimization experiences have equivalent and broadband associations with transdiagnostic psychopathology outcomes in adolescence Miriam Forbes	Sensory attenuation deficits to willed speech – A biomarker for schizophrenia? Thomas Whitford	The global prevalence of bullying victimization: A systematic review and meta-analysis Hannah Thomas
11:36am - 11:48am	University student survey of mindfulness delivery formats, mobile app use, and mental health Laura Kempel	Is rTMS effective for anxiety symptoms in major depressive disorder? An efficacy analysis comparing left-sided high frequency, right-sided low-frequency and sequential bilateral rTMS protocols Leo Chen	Protocol for a Phase II Randomised Control Trial of a decision-aid website for young adults with bipolar II disorder Alana Fisher	Childhood trauma exposure and inflammation in psychotic disorders Yann Guide	The global burden of bullying victimization: A new risk factor for major depressive disorder and anxiety disorders in the Global Burden of Disease Study 2017 Holly Erskine
11:48am - 12:00pm	Co-designing with users for better engagement and mental health outcomes Mark Deady	Oral Presentations Differences in cognitive control brain activation between remitted bipolar and unipolar depressed individuals Isabella Breukelaar	Young people and help-seeking in the digital age: A New Zealand study Kerry Gibson	Reduced sleep spindles in schizophrenia – A treatable endophenotype that links risk genes to impaired cognition Dara Manoach	The association between child maltreatment and depressive disorders: A systematic review and meta-analysis Madeleine Gardener

12:00pm - 12:12pm	Technical assessment of the privacy practices of popular mental health apps Kit Huckvale	Cognitive and emotional biomarkers of Anxious Major Depressive Disorder: An iSPOT-D Report Taylor Braund	Screening for suicidality and distress in young people Owen Forbes	Prevalence of Obstructive Sleep Apnoea and barriers to diagnosis and treatment in Clozapine Clinic clients Megan Kalucy	Oral Presentations Statin use and depressive symptoms in a large population of healthy older people living in the community: A cross-sectional study Bruno Agustini
12:12pm - 12:24pm	Oral Presentations Who responds to online CBT versus mindfulness for depression and anxiety? Jill Newby	Transdiagnostic features of emotional processing in Bipolar Disorder, Unipolar Depression and Schizophrenia Cassandra Chakouch	Depression and suicidality following sport-related concussion: A pilot exploration of neurobiological mechanisms in a youth population Amanda Clacy	Discussion	Cognitive function and skeletal muscle in older men Sophia Sui
12:30pm - 1:30pm	Lunch and Poster Viewing <i>Room: Lilly Pond Terrace / Noosa Beach House Restaurant</i>				
1:30pm - 3:00pm	Plenary Session 4				
<i>Room</i>	<i>Noosa Ballroom</i>				
<i>Chair</i>	Frances Kay-Lambkin				
1:30pm - 2:15pm	International Invited Speaker - Sandra Bucci Psychosis: A history of misconceptions. Is there a role for digital technology in supporting people who experience psychosis?				
2:15pm - 3:00pm	SMHR Founders Medal and Oration				
3:00pm - 3:30pm	Afternoon Tea <i>Room: Lilly Pond Terrace / Noosa Beach House Restaurant</i>				
	Concurrent Session 4				
3:30pm - 5:00pm	Youth Mental Health, Trauma, Physical Health in Mental Health Symposium: The impact of Psychological Trauma on Young People's Mental Health	Mental Health in Vulnerable Populations Symposium: The Mental Health and Well-being of Autistic Adults and Relationship to Disability	Substance Use	Imaging, Mood Disorders Symposium: From Mapping to Modelling Mental Health and Disease with Neuroimaging	Consumer Research, Mental Health Services Symposium: Collaboration with consumers, carers and other stakeholders: Lessons for mental health policy, services and research
<i>Room</i>	<i>Ballroom 1</i>	<i>Ballroom 2</i>	<i>Ballroom 3</i>	<i>Laguna 1</i>	<i>Laguna 2</i>
<i>Chair</i>	Katherine Mills	Adam Guastella	Christina Marel	Kathryn Broadhouse	Michelle Banfield
3:30pm - 3:42pm	Mental health consequences of trauma exposure during childhood and adolescence: Disorderspecific or transdiagnostic? Emma Barrett	Disability, functioning and quality of Life among treatment-seeking young adults with Autism Spectrum Disorder and its relationship to depression, anxiety, and stress Adam Guastella	Oral Presentations Binge drinking and the developing brain: A systematic review and meta-analysis Briana Lees	Addressing heterogeneity in mental disorders by identifying data-driven subtypes of depression Lianne Schmaal	Feasibility and acceptability of a peer-led e-mental health recovery application in an adult mental health service Alyssa Morse
3:42pm - 3:54pm	Evidence-based treatment for traumatic stress and substance use among adolescents Katherine Mills	Risk and protective factors underlying suicidal ideation in Autism: Findings from a nationally representative sample Darren Hedley	Anxiety and depressive symptoms in binge drinking: Examining the moderator role of impulsivity Rob Hester	Advancing a brain model of human fear regulation Ben Harrison	Evaluation of the Partners in Recovery program: Outcomes and experience of consumers and providers for a tailored health and social care program Michelle Banfield
3:54pm - 4:06pm	Disordered eating and co-occurring substance use among young people: A systematic review of prevalence, patterns and the impact of trauma exposure Ivana Kihás	Know your Normal: Understanding the mental health experiences of young autistic adults in England Liz Pellicano	Conditional probabilities of substance use disorders and associated risk factors: Progression from first use to use disorder on alcohol, cannabis, stimulants, sedatives and opioids Christina Marel	Neuroimaging biomarkers to classify mood disorders Mayuresh Korgaonkar	Whose story is it? Mental health consumer and carer perspectives on ethical mental health research Alyssa Morse

4:06pm - 4:18pm	The content of trauma and hallucinations in first episode psychosis Natalie Peach	Longitudinal study of predictors of mental health and well-being in adults with autism in a supported employment setting Simon Bury	The association between genetic variation in the Alcohol Dehydrogenase gene cluster and alcohol use and abuse and esophageal squamous cell carcinoma risk Penelope Lind	Adrenarcheal timing predicts the development of anxiety symptoms via amygdala functional connectivity during emotion processing: A longitudinal study Sarah Whittle	Finding the Path: Recommendations for improving service access and navigation for people with serious mental illness Michelle Banfield
4:18pm - 4:30pm	Oral Presentations	Autism, Early Psychosis, and Social Anxiety Disorder: A transdiagnostic examination of executive function cognitive circuitry and contribution to disability Adam Guastella	"It's like a counselling session... but you don't need to say anything." Exercise program outcomes for youth within a drug and alcohol treatment service Bonnie Furzer	The Longitudinal Adolescent Brain Study: Mapping brain development in health and disease Kathryn Broadhouse	Oral Presentations
	Imagery rescripting for the treatment of trauma in voice hearers: A case series Georgie Paulik				Building Bridges: Aboriginal Elders and young people translating knowledge into action in youth mental health services Ashleigh Lin
4:30pm - 4:42pm	Investigating the relationship between anxiety, depression and severe nausea and vomiting during pregnancy Sarah Medland	Oral Presentations	Experiential Avoidance as a driving factor behind compulsivity Lauren Den Ouden	Oral Presentations	A process evaluation of an integrated mental health service model Imogen Page
		Psychological interventions for young people at risk for bipolar disorder: A systematic review Tania Perich		Androgens and the female brain: Testosterone, mood and cognitive function in females with Polycystic Ovarian Syndrome Mayouri Sukhapore	
4:42pm - 4:54pm	Diet quality and nutritional adequacy of inpatients within acute mental health units. Are we really providing a 'health' service? Oscar Lederman	The impact of culturally-tailored mental health and suicide prevention programs for Australians living and working in rural and remote areas Jennifer Bowers	Cognitive impulsivity deficits and abstinence-related recovery among people with methamphetamine dependence Antonio Verdejo-Garcia	Mood disorder and antidepressant use as risk factors for fracture in men: A 16 year longitudinal study Lana Williams	Lessons learned from early stages of implementing stepped care primary mental health services in Australia Bridget Bassilios
6:15pm	Ferry Departs from SOFITEL Wharf				
7:00pm - 10:30pm	Conference Dinner - Pier 11 Restaurant, Noosa Marina - Sponsored By CQUniversity				

FRIDAY 30 NOVEMBER 2018: DAY 3					
8:30am - 5:00pm	Registration and Information Desk Open <i>SOFITEL Hotel Lobby</i>				
9:00am - 10:30am	Plenary Session 5				
<i>Room</i>	<i>Noosa Ballroom</i>				
<i>Chair</i>	Helen Christensen				
9:00am - 9:45am	International Invited Speaker - Bob Krueger Toward an empirical approach to the classification of psychopathology				
9:45am - 10:30am	International Keynote Speaker - David Mohr Rethinking our approaches to digital mental health research				
10:30am - 11:00am	Morning Tea <i>Room: Lilly Pond Terrace</i>				
Concurrent Session 5					
11:00am - 12:30pm	<u>Workplace Mental Health</u> Symposium: The Mental Health of Doctors and Medical Students	<u>Cortical Development, Child Mental Health</u> Symposium: Brain Development, Adversity and Mental Health	<u>Physical Health in Mental Health</u>	<u>Youth Mental Health</u>	<u>Consumer Research</u> Symposium: Supporting Family and Friends Who Support People with a Mental Illness or Alcohol/Other Drug Use Problems
<i>Room</i>	<i>Ballroom 1</i>	<i>Ballroom 2</i>	<i>Ballroom 3</i>	<i>Laguna 1</i>	<i>Laguna 2</i>
<i>Chair</i>	Samuel Harvey	Vanessa Cropley	Phil Ward	Linda Engel	Frances Kay-Lambkin
11:00am - 11:12am	Are doctors at increased risk of mental health problems....and if so, why? Samuel Harvey	Early life trauma exposure and its effect on brain development Mayuresh Korgoankar	Oral Presentations Physical activity of people with mental disorders compared to the general population: A systematic review of longitudinal cohort studies Shuichi Suetani	Oral Presentations What trauma-exposed young people tell us about their barriers to services: The voices we don't hear Carli Ellinghaus	'I no longer know that person': Grief and loss in families living with addiction Dara Sampson
11:12am - 11:24am	Prevention of suicide in medical students: A systematic review and stakeholder consultation Michelle Lamblin / Alexandra Boland	Multimodal structural neuroimaging markers of brain development and ADHD symptoms Timothy Silk	Managing antipsychotic-associated cardio-metabolic risk factors with glucagon-like peptide-1 receptor-agonists for: a systematic review and individual participant data meta-analysis Dan Siskind	Perceived need for mental health care among Australian adolescents: Do adolescents and their parents agree? Nina Schnyder	Systematic review of interventions for friends and family members affected (AFFMs) by another person's substance use Frances Kay-Lambkin
11:24am - 11:36am	Improving doctors' mental health: A systematic review and meta-analysis of interventions to reduce symptoms of common mental disorder and suicidal ideation amongst doctors Katherine Petrie / Joanna Crawford	Brain structural trajectories in psychosis Vanessa Cropley	Signs pointing to collaboration: Physical health in recovery Richard Clancy	Young people's experience of youth mental health service integration in Western Australia Rikki Battersby	Learnings from Partners in Depression – A program for carers of people with depression Sally Fitzpatrick
11:36am - 11:48am	Implementing a mindfulness program for junior doctors Nick Glozier	Internalising and externalising symptoms are differentially associated with cortical development during late childhood Sarah Whittle	The association between indicators of physical health, posttraumatic stress symptoms and functional impairment amongst patients admitted to a traumatic stress inpatient ward Simon Rosenbaum		National dissemination of a program for people who care for a person with depression predictors of program delivery Katie McGill

11:48am - 12:00pm	Development of a smartphone app to support the mental health of junior doctors in NSW Joanna Crawford	Oral Presentations The search for genes influencing the structure of the human cortex Jodie Painter	A co-designed physical activity intervention delivered online for first responders and their partners Grace McKeon	Discussion	Designing an e-health intervention for families and friends affected by someone else's ice use of ice Jenny Geddes
12:00pm - 12:12pm	Development of a national mental health and suicide framework for the medical profession Sally Fitzpatrick	The psychosocial profiles of children aged 11-12 years who have self-harmed: A prospective cohort study Rohan Borschmann	The role of yoga in the treatment of mental illness: A systematic review and meta-analysis Jacinta Brinsley		Oral Presentations The STELLER Study: Supporting the Transition into Everyday Life of Lived Experience Research Katherine Boydell
12:12pm - 12:24pm	Oral Presentations Reconsidering stigma and barriers to mental health care in the Australian Defence Force Helen Benassi	Mental health problems and academic performance in late childhood: A longitudinal study Lisa Mundy	Psychiatrists' have an opportunity to promote exercise for people with severe mental illness Nicole Korman		Discussion
12:30pm - 1:30pm	Lunch and Poster Viewing <i>Room: Lilly Pond Terrace / Noosa Beach House Restaurant</i>				
1:30pm - 2:30pm	Awards Orations				
<i>Room</i>	<i>Noosa Ballroom</i>				
<i>Chair</i>	<i>Eoin Killackey</i>				
1:30pm - 2:00pm	SMHR Oration Award Presentation				
2:00pm - 2:30pm	Australian Rotary Health - Mental Health IMPACT Award				
2:30pm - 3:00pm	Afternoon Tea <i>Room: Lilly Pond Terrace / Noosa Beach House Restaurant</i>				
Concurrent Session 6					
3:00pm - 4:30pm	Translational Mental Health Symposium: Mental Health First Aid Training: From Efficacy to Dissemination	eMental Health Symposium: Leveraging Social Media as an Engagement Tool for Treatments Targeting Mental Health and Alcohol/Other Drug Use	Youth Mental Health	Epidemiology and Public Health, Mental Health Services	Psychopharmacological Therapies Symposium: N-acetylcysteine (NAC) Across Psychiatry
<i>Room</i>	<i>Ballroom 1</i>	<i>Ballroom 2</i>	<i>Ballroom 3</i>	<i>Laguna 1</i>	<i>Laguna 2</i>
<i>Chair</i>	Amy Morgan	Frances Kay-Lambkin	Larisa McLoughlin	Matthew Sunderland	Alyna Turner
3:00pm - 3:12pm	Systematic review and meta-analysis of Mental Health First Aid training: Effects on knowledge, stigma, and helping behaviour Amy Morgan	Using online platforms to encourage consumer participation and engagement with eHealth tools for mental health and wellbeing Jamie Carlson	Oral Presentations Emotion regulation in adolescents: Associations with bullying victimisation, bullying perpetration, internalising symptoms and externalising problems Erin Kelly	Oral Presentations Analysing age trends in the rate of major depression across adolescence and the moderating effects of body mass index using time varying effects models Matthew Sunderland	N-Acetyl Cysteine (NAC) and Schizophrenia. A brief review of the literature and an update on the current ENHANCE NAC trial Erica Neill
3:12pm - 3:24pm	Does Mental Health First Aid training improve the mental health of aid recipients? The Training for Parents of Teenagers randomized controlled trial Amy Morgan	Who and how did people end up in the online iTreAD trial Frances Kay-Lambkin	Understanding the brains of cyberbystanders: A functional MRI study of young adults witnessing cyberbullying Larisa McLoughlin	The association between migrant status and being identified as ultra-high risk for psychosis and transitioning to a psychotic disorder Brian O'Donoghue	NAC and other mitochondrial agents in the treatment of bipolar depression Alyna Turner

3:24pm - 3:36pm	Effects of training in how to assist a suicidal person: results from a national survey Anthony Jorm	Using social networking with e-health interventions for depression and alcohol use in young Australians (The iTreAD project) Jenny Geddes	Identifying predictors of outcome in childhood anxiety disorders following stepped care Jennie Hudson	The exclusion of people with mental ill health from insurance – Can we do better? Nick Glozier	A potential role for N-acetylcysteine (NAC) in methamphetamine dependence? Olivia Dean
3:36pm - 3:48pm	teen Mental Health First Aid: Evaluating suicide first aid outcomes from cluster cross over randomized controlled trial Laura Hart	Managing risk and emotional crises in a social network for comorbid binge drinking and depression in young people Sally Hunt	Utility of machine learning to predict symptomatic and functional outcome in youth mental health: The Transitions studies in Australia and the UK Stephen Wood	Big data in a New Zealand health care setting: Preliminary data relating to prescribing for Alcohol Use Disorder Ben Beaglehole	Increasing age increases risk of POCD after major non-cardiac surgery regardless of procedure or anaesthetic modality Michael Berk
3:48pm - 4:00pm	teen Mental Health First Aid (tMHFA) for students in years 7-9: An uncontrolled trial Kathy Bond	Symposium Discussion	Neurocognition and longitudinal psychosocial functioning in young people accessing a mental health service: A naturalistic cohort study Jacob Crouse	The long-term mental health of Australia's tertiary students Richard Burns	Oral Presentations N-acetylcysteine for cessation of tobacco smoking Lauren Arancini
4:00pm - 4:12pm	Exploring the role of mental health first aid officers in workplaces: a qualitative study using case study methodology Nataly Bovopoulos	Oral Presentations Self-guided internet-delivered cognitive behaviour therapy for obsessive-compulsive disorder: Preliminary findings from a randomised controlled trial Bethany Wootton	NEURAPRO Revisited: Increases In long-chain omega-3 fatty acids improve functional and symptomatic outcomes In youth at ultra-high risk of psychosis Paul Amminger	Reforming primary mental health care in Australia: Service planning and integration to meet the national reform agenda Michelle Williamson	The effect of a combination of mitochondrial-enhancing agents is mediated by IL-6 and antioxidant capacity in bipolar disorder patients Chiara Bortolasci
4:12pm - 4:24pm	Oral Presentations Effectiveness of eLearning and blended modes of delivery of Mental Health First Aid training in the workplace: randomised controlled trial Nicola Reavley	Discussion	A brief dietary intervention can reduce symptoms of depression in adolescents with depressed mood Heather Francis	Updating a national planning tool for modelling mental health service needs in rural and remote areas Charlotte Woody	Targeting microRNAs to screen for new compounds to treat bipolar disorder Ken Walder
4:30pm - 5:00pm	Conference Close and Awards Presentation <i>Room: Laguna 1</i>				

COLLABORATION

WEDNESDAY 28 to FRIDAY 30 NOVEMBER 2018

THE SOFITEL NOOSA PACIFIC RESORT, NOOSA, QUEENSLAND

Local Organising Committee

Jim Lagopoulos
Daniel Hermens
Frances Kay Lambkin
Amanda Boyes
Kathryn Broadhouse
Amanda Clacy
Elise Jione
Cherie McGregor
Larisa McLoughlin
Mandy Nuske
Marcella Parker
Susan Schiotz
Phil Ward

Co-convenor

Co-convenor

President, Society for Mental Health Research (SMHR)

Scientific Organising Committee

Daniel Hermens, **Co-convenor**
Emma Barrett
Phil Batterham
Rohan Borschmann
Kathryn Broadhouse
Richard Burns
Alison Callear
Katrina Champion
Amanda Clacy
Lucia Colodro Conde
Dimity Crisp
Joe Firth
Heidi Gorell
Sarah Hetrick
Bonnie Huang

Manreena Kaur
Steph Kershaw
Mark Larsen
Rico Lee
Sonja March
Chris Marel
Larisa McLoughlin
Yael Perry
Clara Silvi
Dan Siskind
Emily Stockings
Mat Summers
Matt Sunderland
Louise Thornton
Natalie Watson-Brown

COLLABORATION

WEDNESDAY 28 to FRIDAY 30 NOVEMBER 2018

THE SOFITEL NOOSA PACIFIC RESORT, NOOSA, QUEENSLAND

OUR EXHIBITORS

***** SOLD OUT *****

The SMHR 2018 Conference acknowledges the support of the following:
