

ANZAOMS26

ANNUAL SCIENTIFIC MEETING

6-8 August 2026
Christchurch/Otago, NEW ZEALAND

Co-Located with
New Zealand
Association of
Orthodontists (NZAO)
Education and
Research Development
Group (ERDG)
7-8 August 2026

As at July 2026

*preliminary program subject to change

THURSDAY 6 AUGUST 2026	
7:00am - 8:15am	Trainee Breakfast Session - Making the Cut: Building, Growing and Exiting an OMS Practice
Room	Dobson Room 1
Session Chair	Dr Jamie Olsen
Speakers	Speakers: Michael Callender and Alice Winter Panelists: A/Prof Patrishia Bordbar, Dr Jason Erasmus, Dr Derek Goodisson, Dr Simon Lou, Dr Jamie Olsen
7:30am - 6:30pm	Registration Open, Te Pae Main Foyer
7:30am - 6:30pm	Exhibition Open, Halls 1 & 2
8:20am - 8:30am	ASM Opening Dr Angus Cameron
8:30am-10:30am	Session 1 - Pathology 1
Room	Auditorium A4
Session Chair	A/Prof Christian Freudsperger and Dr Thasvir Singh
8:30am - 9:10am	International Keynote Speaker - Dr Deepak Kademani <i>Contemporary management of oral cavity cancer. Past, present and future</i>
9:10am - 9:40am	International Invited Speaker - Prof Rui Fernandes <i>Complex scalp reconstruction in the oncologic patient: decision-making in challenging terrain</i>
9:40am - 10:10am	International Invited Speaker - Mr Bhavin Visavadia <i>Precision reconstruction in complex head & neck oncology: Strategy, challenges, and outcomes</i>
10:10am - 10:20am	Dr Joseph Hu <i>Oral squamous cell carcinoma arising from known mucosal changes: a distinct phenotype with paradoxical clinical outcomes</i>
10:20am - 10:30am	Dr Nick Young <i>A national audit of non-technical errors in head and neck surgery resulting in mortality: Australia 2012-2019</i>
10:00am - 4:00pm	Nurses Workshop
10:30am - 11:00am	Morning Tea, Exhibition and Poster Viewing, Exhibition Halls 1 & 2
11:00am - 1:00pm	Session 2 - Pathology 2
Room	Auditorium A4
Session Chair	Dr Tim Manzie
11:00am - 11:30am	International Keynote Speaker - Dr Deepak Kademani <i>Contemporary management of ameloblastoma</i>
11:30am - 12:00pm	International Invited Speaker - A/Prof Jocelyn Shand <i>Benign paediatric pathology</i>
12:00pm - 12:30pm	Invited Oceania Speaker - Dr Derek Goodisson <i>Benign lesions of the head and neck - and when to worry</i>
12:30pm - 12:40 pm	Dr Gustavo Grimaldi <i>Revolutionizing maxillofacial care: Exploring denosumab's impact on giant cell granuloma - A comprehensive case series</i>
12:40pm - 12:50pm	Dr Matthew Woliansky <i>Evaluation of closed vs. open treatment in the management of displaced unilateral mandibular subcondylar fractures: A systematic review and meta-analysis</i>
12:50pm - 1:00pm	Dr Tim Manzie <i>Contemporary approach to maxillary reconstruction</i>
1:00pm - 2:00pm	Lunch, Exhibition and Poster Viewing, Exhibition Halls 1 & 2

2:00pm - 4:00pm	Session 3 - Trauma
Room	Auditorium A4
Session Chair	Dr Peter Coghlan
2:00pm - 2:30pm	International Keynote Speaker - Prof Andreas Neff <i>ORIF in condylar head fractures - Is it a reliable technique?</i>
2:30pm - 3:00pm	International Invited Speaker - Dr David Powers <i>Ballistic injuries - early and secondary management</i>
3:00pm - 3:30pm	International Invited Speaker - Dr Martin Steed <i>Managing our patient's neurosensory expectations</i>
3:30pm - 3:40pm	Dr David Power <i>Virtual surgical planning for complex mandible fractures: a streamlined approach using 3D printing</i>
3:40pm - 3:50pm	Dr Brendan May <i>Surgical management of paediatric orbital fractures with entrapment: a 10-year case series from a tertiary centre in New Zealand</i>
3:50 pm - 4:00pm	Dr Barbara Woodhouse <i>Management of TMJ trauma in a resource poor environment</i>
4:00pm - 4:30pm	Dr Lucy O'Hagan Everett Magnus Oration
4:30pm - 5:00pm	ANZAOMS Awards Ceremony
5:00pm - 6:30pm	KLS Welcome Reception - Exhibition Halls 1 & 2
	FRIDAY 7 AUGUST 2026 - Co-Located with NZAO
7:00am - 8:15am	Women in OMS Breakfast Session
Room	Dobson Room 1
Session Chair	Dr Shreya Tocaciu
Speakers	Dr Nabeela Ahmed, Dr Abigail Estelle, Dr Lydia Lim, Dr Lucy O'Hagan, Dr Shreya Tocaciu, Mr Bhavin Visavadia
7:00am - 8:15am	CMF Reconstruction Breakfast Session - Personalised craniomaxillofacial surgery: from patient-specific planning to smart surgical pathways
Room	Dobson Room 2
Session Chair	A/Prof Patrishia Bordbar and A/Prof Christian Freudlsperger
Speaker	Prof Majeed Rana
7:30am - 5:30pm	Registration Open, Te Pae Main Foyer
7:30am - 5:30pm	Exhibition Open, Halls 1 & 2
8:15am - 8:30am	Welcome Address - Dr Justine Anderson and Dr Angus Cameron Cultural Welcome - Pounamu Ngai Tahu
8:30am- 10:30am	Session 4 - TMJ and Orthognathic Surgery
Room	Auditorium A4
Session Chair	A/Prof Christian Freudlsperger
8:30am - 9:10am	International Keynote Speaker - Prof Andreas Neff <i>TMJ aspects in orthognathic surgery</i>
9:10am - 9:40am	Invited Oceania Speaker - Prof Mauro Farella <i>Orthodontics meets surgery: Occlusion, TMD and beyond</i>
9:40am - 10:10am	International Invited Speaker - Dr Briana Burris <i>The role of occlusion in management of TMJ arthropathies</i>
10:10am - 10:30 am	Invited Oceania Speaker - Dr Justine Anderson <i>Aligners vs conventional braces in OGS</i>
10:30am-11:00am	Morning Tea, Exhibition and Poster Viewing, Exhibition Halls 1 & 2
11:00am - 1:00pm	Session 5 - Cleft & Craniofacial anomalies
Room	Auditorium A4
Session Chair	A/Prof Jocelyn Shand
11:00am - 11:30am	International Invited Speaker - Dr Dipesh Rao <i>Aesthetic considerations in craniosynostosis correction</i>
11:30am - 12:00pm	International Invited Speaker- Prof Paul Tiwana <i>Cleft orthognathic surgery</i>
12:00pm - 12:30pm	Invited Oceania Speaker - Dr Pei-Ti Lin <i>Interdisciplinary management of missing maxillary anterior teeth in cleft deformities</i>
12:30pm - 12:40pm	Dr Gustavo Grimaldi <i>From tackles to trauma: investigating the influence of the FIFA World Cup 2022 on public maxillofacial department in Qatar - an observational study</i>
12:40pm - 12:50pm	Dr Nicholas Lynch <i>Blood loss in bimaxillary orthognathic surgery in an Australian Oral & Maxillofacial Surgery Unit</i>
12:50pm - 1:00pm	Dr Mohamed Naqeeb <i>Artificial intelligence-driven soft tissue prediction in virtual surgical planning for orthognathic surgery</i>
1:00pm - 2:00pm	Lunch, Exhibition and Poster Viewing, Exhibition Halls 1 & 2

2:00pm - 3:30pm	Session 6 - Minimal Invasive OGS and Advances in Technology
Room	Auditorium A4
Session Chair	A/Prof Patrishia Bordbar
2:00pm - 2:30pm	International Invited Speaker - Prof Tae-Geon Kwon <i>Facial asymmetry correction with 3D planning and Patient-specific implant</i>
2:30pm - 3:00pm	International Invited Speaker - Dr Raquel Guijarro-Martinez <i>MARPE, SARPE, and everything in between: When, why and how</i> Supported by SORG
3:00pm - 3:30pm	International Invited Speaker - Prof Deepak Krishnan <i>Minimally invasive orthognathics - Is it worth it?</i>
3:30pm - 4:00pm	Afternoon Tea, Exhibition and Poster Viewing, Exhibition Halls 1 & 2
4:00 pm - 5:00pm	Session 7 - Orthognathic Controversies
Room	Auditorium A4
Session Chair	Dr Angus Cameron
Speakers	Panelists: Dr Matt Barker, Dr Raquel Guijarro-Martinez, Professor Andreas Neff
6:30pm - 11:00pm	ANZAOMS/NZAO ERDG Gala Dinner
	SATURDAY 8 AUGUST 2026
8:00am - 3:25pm	Registration Open, Te Pae Main Foyer
8:00am - 2:00pm	Exhibition Open, Halls 1 & 2
9:00am - 10:30am	Session 8 - IAOMS Session
Room	Auditorium A4
Session Chair	Prof Rui Fernandes (IAOMS President) Dr John Harrison (IAOMS Oceania Councillor)
9:00am - 9:30 am	International Invited Speaker - A/Prof Jocelyn Shand - IAOMS Vice President <i>Royal Children's Hospital of Melbourne collaboration with Dhulikhel Hospital, Nepal</i>
9:30am - 10:00am	International Invited Speaker - Dr Michael Alterman - IAOMS Editor In Chief Face to Face <i>Sialendoscopy 2026: Perspectives on indications, applications and pitfalls</i>
10:00am - 10:30am	International Invited Speaker - Prof Nardi Casap Caspi - IAOMS Member at Large <i>The bone growing concept: A new perspective on bone reconstruction</i>
10:30am - 11:00am	Morning Tea, Exhibition and Poster Viewing, Exhibition Halls 1 & 2
11:00am - 1:00pm	Session 9 - Implantology
Room	Auditorium A4
Session Chair	Dr Lydia Lim & Dr Peter Hill
11:00am - 11:30 am	International Invited Speaker - Dr Ed Bedrossian <i>Implant therapy in the Contemporary Oral & Maxillofacial surgery practice</i>
11:30am - 12:00pm	International Invited Speaker - Dr Winston Tan <i>The Architecture of Absence: Rethinking the All-on-four for implant rehabilitation</i>
12:00pm - 12:20pm	Invited Oceania Speaker - Dr Jason Erasmus <i>Bone grafting in the aesthetic zone</i>
12:20pm -12:30pm	Dr Joshua Lee <i>Aggressive dental implant thread design and primary stability: a systematic review and meta-analysis</i>
12:30pm - 12:40pm	Dr Ryoma Inazato <i>Late zygomatic implant osteoradionecrosis following ZIP flap reconstruction: A case demonstrating prosthodontic rehabilitation as a definitive reconstructive endpoint</i>
12:40pm - 12:50pm	Prof Alastair Goss <i>Current progress of the Australian & New Zealand Association and Maxillofacial Surgeons (ANZAOMS) temporomandibular joint replacement registry (TMJRR)</i>
12:50pm - 1:00pm	Dr Michael Burgess <i>Temporomandibular joint disectomy with cadaveric dermis graft</i>
1:00pm - 2:00pm	Lunch, Exhibition and Poster Viewing, Exhibition Halls 1 & 2
2:00pm	Exhibition Closed
2:00pm - 3:25pm	Session 10 - Outreach Work
Room	Auditorium A4
Session Chair	Dr Angus Cameron
2:00pm - 2:20pm	Invited Oceania Speaker - Dr Abigail Estelle <i>Mercy ships</i>
2:20pm - 2:40pm	Invited Oceania Speaker - Dr Cameron Lewis <i>OMS in the Pacific: The Fiji experience</i>
2:40pm - 2:50pm	Dr Benjamin Dang <i>Analysis of condylar head position using patient-specific implants in orthognathic surgery</i>
2:50pm - 3:00pm	Dr Charlotte Kenny <i>Developing a metric for bone union in mandibular reconstruction using quantitative CT</i>
3:15pm	Close of Meeting
