

SEXUAL FUNCTION AND PROSTATE CANCER

AN INTERACTIVE WORKSHOP ON SEX AND PLEASURE

This sexual health workshop will deliver a hands-on experience of treatment options for sexual side effects of prostate cancer. Expect fruitful and lively discussion on penile rehabilitation, approaching sex with altered function, pleasure focused play, communication strategies and consideration of sexual inclusivity. You will have the opportunity to explore tablet regimes, penile injections, pumps, implants, toys, lubricants and more! Whether you are new to the field, or an advanced practitioner, this workshop will equip you with the necessary tools and skills to support men on their journey to sexual recovery.
