BD1/BD2 is a multi-purpose material lifter with:

- A variety of accessories for ease of installation. It can be used to install air conditioners, garage doors, retractable awnings, electric heaters and more.
- Easily transportable by one person due to its compact design.
- 90° access to allow access through narrow doorways.
- 250mm real wheels to manoeuvre smoothly over rough surfaces.
- Adjustable wheel base from 79.5 cm to 109 cm (BD2), 77cm to 106 cm (BD1), and locking castors for increased stability.

Choice of Attachments:

• Forks

• Pipe cradle

• Jib crane

Doorway access
 90° swing to allow access through narrow doorways.
