

# AI-powered software for window covering businesses

Manage quotes, production, and installations in  
one connected system

## Meet **BM Copilot**

Your AI across sales, production, inventory, and installations

 Ask BM Copilot about your business 

-  Which orders are delayed today?
-  Are all materials ready for Order #20518?
-  Which installers are available tomorrow?

## Run your entire business in BlindMatrix

- ✔ Configure your window coverings your way
- ✔ Take orders from quote to production without errors
- ✔ Track production and inventory in real time
- ✔ Manage dealer orders and pricing
- ✔ Schedule measurements and installations
- ✔ Measure, configure, and quote on-site with the offline app

**20+ Years**  
in the window covering industry

**1,000+ Businesses**
