## Who We Are?

BlinQ Software is an all-in-one quoting, ordering, and job management platform designed for the window furnishings industry.

Built to support retail, wholesale, and manufacturing with cloud-based tools.

Trusted by 500+ active retailers in Australia, UK, USA, and South Africa.

## ➤ The Opportunity:

- Orders are submitted accurately through BlinQ
- Structured formats, validated data, instant processing

## ➤ The Current Gap:

- Orders are sent via emails, PDFs, or manual formats
- High risk of order errors and inefficiencies

# Why This Matters to Manufacturers?

# How It Works for You?

## Wholesale Order Portal

- Retailers submit orders via your branded portal inside BlinQ.
- You approve, fulfill, and track orders seamlessly.

Option 01.

## Direct Order Integration

- Orders flow to your system via API, XML, or Excel.
- Retailers quote → you fulfill

Option 02.

**Eliminate order errors** ...

Data is validated  
before submission

**Speed up  
production** ...

Real-time  
order receipt

**Increase loyalty** ...

Easy ordering attracts  
repeat business

**What's In It  
for You?**

**Scalable** ...

Onboard more retailers  
without extra admin

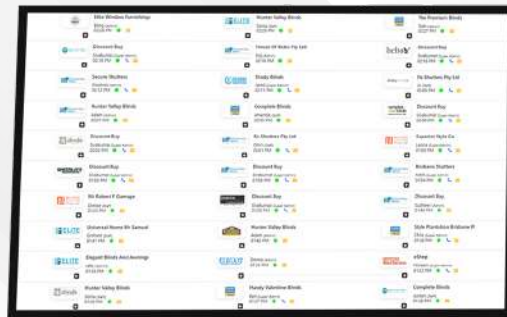

**Transparent** ...

View product trends  
and volumes instantly

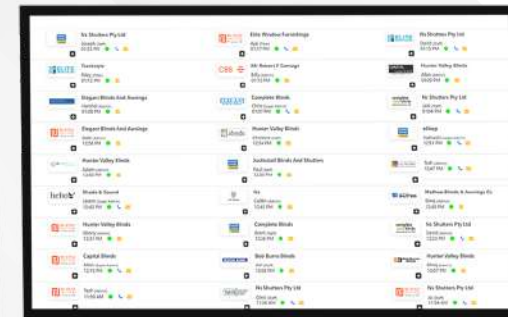

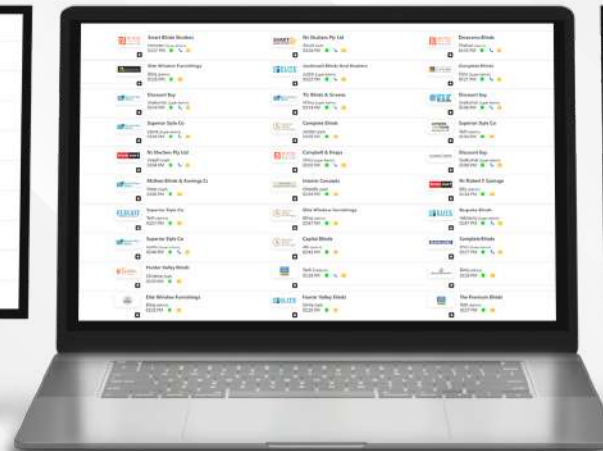

## Why Now? And What's Next?

- **500+** retailers already use BlinQ Software.
- Start receiving structured orders in as little as **1-3 weeks**.
- Choose your setup: branded portal, direct integration, or both.

**+600K** Quote's Created

**+500** Retailers

## Let's Connect

- You'll never have to chase another retailer for missing order info again.
- Let's explore the best BlinQ setup for your business.
