

Glenmore water treatment plant

Ashley Reidy

Water waste/water operator

Fitzroy river water/Rockhampton regional council

Over the last two years, Alliance Automative did an upgrade on our Glenmore water treatment plant and this presentation shows the before and after infrastructure upgrades...

There were a lot of challenges as Glenmore water treatment plant is a 24/7 operation and the treatment plant couldn't be shut down for more then 8-10 hours at a time...
