Sponsors have the opportunity to include items in the Conference Satchel.

The number of items is in accordance with sponsorship level – please refer to each sponsorship level for details. A quantity of 600 of each item will be required.

Sponsors will be requested to advise CICA of their item(s) 8 weeks before the conference to assist our planning. Satchel items will need to be delivered to the conference venue on the Friday preceding the commencement of the conference.

Please note, CICA has the right to veto items included in the satchel which may conflict with other sponsor's entitlements.

Promotional items which cannot be included in the conference satchel or be given away during the expo include bags and lanyards. Please note this will be strictly enforced without exception.

CICA does not monitor or manage promotional items given away by exhibitors, but can at its discretion, veto items prior to the event or remove items at the event.
