Case Number: _____

Dimensions: _____

Gross Weight: _____

E) Temporary Importation of Exhibition Goods

a) Banker’s Guarantee under the Temporary Import Scheme (TIS)

All exhibition goods except giveaways, brochures, samples and souvenirs will be imported under a Temporary Import Scheme into the exhibition will be temporarily custom cleared under our “Temporary Import Bond (TIB)” placed by us with Singapore Customs. A TIB fee will be levied as per our handling tariff.

Goods for exhibitions may be imported 3 weeks prior to the exhibition and to be re-exported within 3 weeks after the closure of the exhibition.

Approval for extension of temporary import must be made in writing (with reason stated) and will be granted on a case by case basis.

b) ATA Carnet

Singapore is a signatory of the ATA Carnet system and exhibitors can arrange your own Temporary Import Bond (TIB) by using the ATA Carnet prior consigning to us for clearance on arrival.

c) Conversion of Temporary Import to Permanent Import

Under temporary import, all exhibits sold, disposed or not re-exported at the end of the exhibition is required to convert import status to permanent import.

d) Permanent Importation

Giveaways, brochures, samples and souvenirs cannot be customs cleared on Temporary Import Scheme. Generally, there is no duty applicable for such items except a GST (Goods & Services Tax) of **9%** of declared value or as appraised by Customs.

A 10% outlay fee of the GST amount will apply as per our handling tariff.

F) Container Detention

Shipping lines will levy a container detention charge for containers kept in use for an extended period of time. Most shipping lines accord between 3-7 days free detention after the container is cleared from the Port. Prior arrangement/negotiations must be made with the shipping lines if containers are to be kept for an extended time.

G) Customs Sealed Containers

Customs seals placed on containers at the time of import should not be broken without supervision or written permission. Unauthorised breakage of Customs red seal affixed on the container may result in heavy fines. Imposition of fines (if any) will be borne by exhibitors.

Additional Customs supervision fee of **S\$300.00/occasion** for Customs Sealed Containers, if required.

H) Medical Equipment

Medical Equipment Requiring HSA Approval

Under HSA guidelines GN-32, exhibitors must seek prior approval from HSA to import unregistered medical devices into Singapore for exhibition purposes by namely, cargo goods or hand-carry routes. They are also reminded that any unregistered medical device which is permitted for display at the exhibition shall not be supplied for use locally, including distribution of free samples or the use of such medical devices on a human for demonstration purpose. These unregistered products shall be destroyed, duly re-exported out of Singapore or returned to the overseas supplier within the timeframe stipulated by HSA upon closing of the exhibition.

MEDICAL DEVICE: Means any instrument, apparatus, implement, machine, appliance, implant, in vitro reagent or calibrator, software, material or other similar or related article that is intended by its manufacturer to be used, whether alone or in combination, for humans for one or more of the specific purposes of:

- 1) diagnosis, prevention, monitoring, treatment or alleviation of any disease;
- 2) diagnosis, monitoring, treatment, alleviation of or compensation for an injury;

- 3) investigation, replacement, modification, or support of the anatomy or of a physiological process;
- 4) supporting or sustaining life;
- 5) control of conception;
- 6) disinfection of medical devices;
- 7) providing information for medical or diagnostic purposes by means of in vitro examination of specimens derived from the human body, and which does not achieve its primary intended action in or on the human body by pharmacological, immunological or metabolic means, but which may be assisted in its intended function by such means.

Exhibitors of unregistered medical devices are required to prominently indicate that the medical devices exhibited cannot be legally supplied in Singapore. **The exhibitor's display booth and unregistered medical devices shall be prominently indicated with labels or signage "SOLELY FOR DISPLAY PURPOSES ONLY. NOT INTENDED FOR SUPPLY"**.

Documents pertaining to medical equipment with the abovementioned functions are required to be submitted to APT Showfreight (S) Pte Ltd latest **26 August 2026** prior to start of show for application and approval.

If any of the abovementioned medical devices have the laser, ultrasound, MRI, X-Ray, Radioactive materials, kindly refer below.

Medical Equipment Requiring NEA Approval

1. Laser
2. Ultrasound
3. MRI
4. X-Ray
5. Radioactive materials

Exhibitors of unregistered medical devices are required to prominently indicate that the medical devices exhibited cannot be legally supplied in Singapore. **The exhibitor's display booth and unregistered medical devices shall be prominently indicated with labels or signage "SOLELY FOR DISPLAY PURPOSES ONLY. NOT INTENDED FOR SUPPLY"**.

Documents pertaining to medical equipment with the abovementioned functions are required to be submitted to APT Showfreight (S) Pte Ltd latest **26 August 2026** prior to start of show for application and approval.

I) Cargo Handover at the Close of Event

Exhibitors must contact APT Showfreight (S) once repacking is completed and to ensure our representative is present to hand over the shipment to us from the stand. APT will not be responsible for any missing/damage cargo if the above is not complied with.

J) Re-Exportation

Please be advised that re-export operations after the event will require additional time due to factors such as cargo volume, shipping schedules, and customs documentation. We encourage you to factor this into your planning for the next deployment of your exhibits and materials. As a general guideline, standard re-exportation will require a minimum of two (2) weeks following the end of the event.

For exhibitors with urgent or time-sensitive shipments, rush re-export arrangements may be accommodated, provided that such requests are submitted at least two (2) weeks prior to the start of the show. This advance notice enables our team to properly plan and coordinate the necessary logistics.

K) Insurance

Exhibitors are reminded to ensure that there is adequate Marine Insurance for their exhibits. We strongly recommend that an insurance cover is taken from the time the exhibits leave your premises till the time they are returned to origin inclusive the time they are handled by APT Showfreight (S) Pte Ltd and during the show period.

L) Radio and Telecommunication Equipment

Prior import, approval must be obtained from the Info-communications Media Development Authority for all radio and telecommunication equipment to be exhibited before the export of shipment to the show. A copy of brochure or catalogue of the equipment with the full specification must be submitted to us not later than **26 August 2026** in order for us to get approval from the relevant authority.

Static display of the equipment is permissible. Any equipment that transmits radio frequency or sound waves must first seek approval before the equipment is brought in and following information is required:

1. Frequencies
2. Number of Channels being used
3. RF Output Power
4. RF Bandwidth
5. Equipment Information required:

	Transmitter	Receiver
Brand and Model		
Serial No		
RF Output Power (W)		

6. Frequency Information:

	Transmit				Receive			
Desired Frequency	From		To		From		To	
Assigned Frequency	From		To		From		To	
Type of Emission (AM, FM, Pulse, Etc)								
Bandwidth (kHz)								

M) Floor Loading Capacity

Meeting Rooms Level 3 – **5.0KN/sqm**

Exhibition hall 4 & 6 – **17.5KN/sqm**

Based on requirements by the venue owners, all exhibits with individual nett weight of **1,000 kg** and more with the following information are to be forwarded to us by latest **26 August 2026** to obtain approval:

- Dimensions of individual machines
- Nett weight of the machine
- Functional – Whether machine is operating during show. If affirmative, provide dynamic loading when machine is operating. If not to provide the static loading
- Footprint of all machines. Is the machine base flat or on castors/legs? If on castors/legs, please provide footprint of the castors/legs. To check the loading on venue floor slab, the dimensions that are in contact with the floor is of most importance.
- Provide catalogue/specification/drawings
- Booth design(layout) indicating position of machines on the booth as well as booth number

If steel plate is required to be provided at the venue for the exhibits and/or a Professional Engineer Certification is required.

Please note that if the following is not submitted to us for submission to the venue and if any of your exhibits exceeds the floor loading capacity of the venue during the venue’s on-site audit, the exhibits will not be allowed to enter the hall and we will not be responsible.
