WHY SPONSOR THE 2026 ANNUAL REFRESHER?

About the 75th Annual Refresher Course for Family Physicians

This comprehensive course is designed to provide family physicians and other healthcare providers with relevant and recent information about approaches to the diagnosis and management of conditions across the breadth of family medicine in both rural and urban settings. Each day consists of a combination of lectures and workshop sessions designed specifically for family physicians and healthcare providers which allows course attendees to customize their learning experience. We expect to welcome over 250 participants to the event this year!

Event sponsorship provides institutions and organizations with high visibility and interaction with participants in an intimate setting. Funding provided assists in the development of an engaging and exciting event for all participants. This event will be a hybrid model giving sponsors the opportunity to engage with participants both in person and virtually.

Why Sponsor?

- Aligning your brand with family physician events allows you to position yourself as a supporter of healthcare professionals. Demonstrating your commitment to advancing primary care and improving patient outcomes.
- It offers a platform to showcase your products, services, or innovations to a relevant and captive audience.
- Your brand gains visibility and recognition within the medical community, potentially leading to increased trust among healthcare professionals.
