MAiD2025

May 1-3, 2025 - Vancouver, BC

The Canadian Association of MAiD Assessors and Providers (CAMAP) is a national not-for-profit association whose mission is to support MAiD professionals in their work, educate the health care community about MAiD, and provide leadership on determining medical standards and guidelines. We have membership in every province and territory, a national community of practice online forum that connects our growing community on a regular basis and have been involved in the evolution of MAiD across the country since Canadian laws changed. This includes the publishing of several clinical guidelines and medication protocols which most provinces have adopted or referenced.

We expect our annual conference will once again draw a large, multidisciplinary group of attendees including family physicians, medical specialists, nurses, pharmacists, social workers, care coordinators, legal counsel, administrators, and policy makers. Our inaugural conference in Victoria, BC in 2017 drew over 150 attendees. Our conference has grown to over 300 people and included several of our national partners on our podium (the Canadian Medical Protective Association, Canadian Medical Association, and Health Canada). We expect to attract a large, diverse audience for MAiD2025 and are eager to reap the benefits of in-room, face to face discussions with all members of our growing community. In August 2023, we launched the Canadian MAiD Curriculum - the first comprehensive nationally accredited, evidence-based educational program to support the practice of MAiD in Canada

We are eager to work with you, as a sponsor, to connect you with our audience while supporting CAMAP's mission.

Sue Chaffey
Executive Director
Canadian Association of MAiD Assessors and Providers

Why become a sponsor of MAiD2025?

- MAiD2025 offers exclusive opportunities to profile your business, gets you in front of your target audience, and supports an important national charity.
- Your sponsorship allows CAMAP to provide an outstanding learning and development experience for MAiD2025 attendees.
- Your sponsorship will be recognized on our website pre-, during, and post-conference. Sponsors will further be recognized at the venue through logo placement on your area of support and recognized virtually through livestream to registrants.
- Your support is vital to ensuring all the elements are in place for the multi-day educational event for those working in the field of MAiD.

Who attends this conference?

- Since our first inaugural conference in 2017, we have seen our attendance numbers more than double. We are thrilled to now play host to an anticipated crowd of more than 350 people both in-person and virtually across the country, with international attendees as well.
- Each year, the conference attracts a large, multidisciplinary group of attendees including:
 - family physicians, medical specialists, nurses, pharmacists, social workers, care coordinators, legal counsel, administrators, policy makers, and more

We look forward to showcasing
your contribution to MAiD2025.
