**SEPTEMBER 12 & 13, 2026
BROOKSTREET HOTEL, OTTAWA**

Call for Sponsors and Exhibitors

On behalf of the University of Ottawa Division of Gastroenterology, we would like to invite you to participate as a sponsor for the Best Practices and Emerging Therapies in Gastroenterology, Hepatology and Therapeutic Endoscopy Conference, taking place on September 12th and 13th, 2026 at Brookstreet Hotel in Ottawa. This conference will review important topics of relevance to specialists who care for individuals with digestive diseases. Through didactic lectures, panel discussions, case-based breakout sessions and video demonstrations, experts in the fields of gastroenterology, hepatology and therapeutic endoscopy will present evidence-based updates that are relevant to clinical practice.

Program sponsorship provides institutions and organizations with high visibility and interaction with participants in an intimate setting. Funding provided assists in the development of an engaging and exciting event for all participants.

All sponsors and exhibitors are acknowledged for their level of support in the symposium program and on a slideshow display in the plenary session.

For a full list of the benefits included with sponsorship, please see the details below.
