# THE CANADIAN DIZZINESS SYMPOSIUM 2026

## Call for Sponsors and Exhibitors

Patients presenting with dizziness are challenging, whether this is acute or chronic, in the clinic or the emergency department. Dizzy patients are difficult to diagnose and manage for all clinicians, from primary care to specialists and other allied health professionals. This 1-day symposium will provide participants with a solid foundation of clinical knowledge and skills used to diagnose and treat patients with dizziness through a combination of didactic teaching, case-based learning, and clinical skills workshops.

Event sponsorship provides institutions and organizations with high visibility and interaction with participants in an intimate setting. Funding provided assists in the development of an engaging and exciting event for all participants.

## Why Sponsor?

- Join in on the only national Canadian Dizziness event that participants are eager to attend
- Sponsoring this event allows your brand to directly engage with this targeted group, potentially leading to more focused marketing efforts and connections.
- It offers a platform to showcase your products, services, or innovations to a relevant and captive audience.
- Your brand gains visibility and recognition within the medical community, potentially leading to increased trust among healthcare professionals.

## Who Attends

This event is aimed for all disciplines including family medicine, neurology, ENT's, physiotherapists and allied healthcare professionals.

## Our 2026 Planning Committee

**Dr. Darren Tse**, Otolaryngology – Head & Neck Surgery (Course Chair)

**Marie France Cadieux**, Audiology

**Sandeep Kulkarni**, Physiotherapy

**Dr. Daniel Lelli**, Neurology
