2025 Update in Dermatology

Call for Sponsors

The Division of Dermatology is pleased to announce that they will be hosting their 4th annual CME event for family physicians on May 15, 2025 in Ottawa. This event will provide education in dermatology focusing on a variety of topics. There will also be updates on the latest dermatology treatment options and newest discoveries in patient care.

Speakers are drawn from the Faculty of the Division of Dermatology as well as community Dermatologists. Interest in this event from has been high and we typically host 250-300 attendees. This is a fantastic opportunity for you to showcase your products/support of dermatology and we welcome your support! Funding will assist in the development of an engaging and exciting event for all participants.

This is a must attend event for primary care physicians and other healthcare professionals. Event sponsorship provides institutions and organizations with high visibility and interaction with participants in an intimate setting. Funding provided assists in the development of an engaging and exciting event for all participants. For a full list of the benefits included with sponsorship, please see the details below.

On behalf of the entire division, thank you for your ongoing support of Dermatology in Ottawa.
