FAPs

- State Funding Agencies - FAPs
- Currently there is 26 FAPs (one in each State)
- FAPs provide financial support to:
 - Research projects and innovation;
 - Organization and participation in seminar and workshops in the country and abroad;
 - Mobility of researches; and,
 - Scholarships in different levels (from scientific initiation to Post-docs).

Brazilian Research and Innovation Funding System

➤ Federal Level

➤ Regional Level → FAPs, e.g.:

- ✓ Scholarships
- ✓ Grants for scientific research infrastructure
- ✓ Grants to Small Companies

ABC

- Brazilian Academy of Science - ABC
- Current President: Prof. Luiz Davidovich
- Founded in 1916, it is a non profit, non governmental, independent entity which operates as an honorific scientific society and as a consultant for the government, when requested to do so, to perform technical studies and studies on scientific policies. Its focus is the scientific development of the Country, the interaction among Brazilian scientists and the interaction of these with researchers from other nations.
