

# SCIENCE AT THE SHINE DOME 2025 PARTNERSHIP OPPORTUNITIES

# SCIENCE AT THE SHINE DOME 2025

**DATE:** Tuesday 2 to Thursday 4 September 2025

**VENUE:** Shine Dome and online livestream

**GALA DINNER:** QT Canberra

## Celebrating excellence in Australian science

Science at the Shine Dome is the Australian Academy of Science's signature event.

It is where Australia's most influential scientists gather at the Shine Dome in Canberra to celebrate science and to honour outstanding achievements in science. It is a time for researchers from all disciplines and career levels to come together to present, share, network and collaborate.

The event will celebrate Fellows elected in 2025, and the recipients of the Academy's prestigious awards in 2025.

Celebrations include a spring soiree cocktail function, a VIP Gala Dinner, networking opportunities for early- and mid-career researchers (EMCRs), and more.

### 2025 PROGRAM:

#### MONDAY 1 SEPTEMBER (ASSOCIATED EVENTS)

- Professional development opportunities for EMCRCs
- Falling Walls Lab Australian Finale

#### TUESDAY 2 SEPTEMBER

- New Fellows' Charter Book ceremony
- New Fellows' presentations
- Spring Soiree cocktail reception

#### WEDNESDAY 3 SEPTEMBER

- New Fellows' presentations
- Award lectures and presentations
- Award medal ceremony
- Gala Dinner

#### THURSDAY 4 SEPTEMBER

- National Symposium - 'Australian Science, Australia's Future: Science 2035'
- Coaches to airport

\$4,000 +GST  
(exclusive opportunity)

#### EMCR Supporter

\$3,500/EMCR +GST

# 2024 EVENT HIGHLIGHTS

“ So at seven decades, the Australian Academy of Science has represented the pinnacle of scientific knowledge in this country. Discovery and progress based on the weight of evidence and the potency of doubt to illuminate truth is a social good we just cannot afford to ignore. ”

HER EXCELLENCY THE HON SAM MOSTYN AC,  
GOVERNOR-GENERAL OF THE COMMONWEALTH OF AUSTRALIA

“ Inspiring science! It was wonderful to see a broad range of research from across Australia and both the videos and lectures were incredibly interesting, engaging and thought-provoking. ”

DELEGATE FEEDBACK, SCIENCE AT THE SHINE DOME 2024

“ Attending the recent scientific event was a pivotal experience for my professional growth, particularly in terms of networking and collaboration. The event gathered researchers from diverse backgrounds, fostering an environment ripe for exchanging ideas and forging valuable connections. ”
