SPEAKER PROFILE

Pramod Pudasaini

Associate Project Officer
Asian Development Bank

Pramod Pudasaini is an Associate Project Officer at the Asian Development Bank (ADB), specializing in the transportation and urban development sectors. A Civil Engineering graduate with 20 years of professional experience, Pramod is currently instrumental in the processing and implementation of highway projects in Nepal. His extensive background allows him to bridge technical engineering requirements with strategic project goals, driving sustainable growth and improved connectivity throughout the Asia-Pacific region.
