SPEAKER PROFILE

Zenaida Mauhay

Project Manager III
DPWH, Philippines

Project Manager Zenaida B. Mauhay of the Department of Public Works and Highways (DPWH) under the Unified Project Management Office – Roads Management Cluster II (UPMO-RMCII), where she currently is the designated Project Team Leader of the Laguna Lakeshore Road Network (LLRN) Project funded by the Asian Development Bank, co financed with AIIB. She earned her Bachelor of Science in Civil Engineering from Mapúa University formerly Mapua Institute of Technology, and her Master in Business Management from St. Francis of Assisi College, where she has also further completed management and executive programs at the Asian Institute of Management (AIM). With her more than 40 years of dedicated public service, PM Zeny as called by her peers advanced as a rank-and-file employee in the early 1980s to her present position and was a witness to how Philippines infrastructure development has progressed over the years and the administration of foreign-funded and assisted projects. She possesses extensive expertise and deep insight in the implementation of flagship infrastructure projects financed by Multilateral Development Banks and International Financing Institutions, particularly the World Bank, the Export-Import Bank of Korea (KEXIM), and the Asian Development Bank (ADB) among others.
