

SPEAKER PROFILE

Saugata Dasgupta

.....
Senior Transport Specialist
Asian Development Bank

Saugata Dasgupta is a Senior Transport Specialist at the Asian Development Bank with over 21 years of experience in development operations across South Asia. He has managed more than \$5 billion in investments spanning urban transport, urban development, climate resilience, and post-disaster recovery. His expertise covers sustainable public transport systems, urban development, transit-oriented development (TOD), compact city planning, climate risk management, and governance reforms. He currently oversees ADB's urban mobility initiatives (non-rail) in the south Asia region. He holds a master's degree in engineering and business management.
