

2026 ASIAN REGIONAL FORUM ON INVESTMENT MANAGEMENT OF FOREIGN EXCHANGE RESERVES

7 – 9 OCTOBER, HANOI, VIETNAM.

ELLIE GROVES

Head of Strategy
Official Institutions Group
State Street Investment Management

Ellie Groves is Head of Strategy for the Official Institutions Group (OIG) at State Street Investment Management. In this role, she leads the firm's strategic engagement with sovereign clients worldwide, contributing to the understanding of complex policy, macroeconomic, and investment issues affecting official institutions. Her responsibilities include thought leadership, research initiatives, knowledge-sharing and skills transfer programs, internal and external events, and collaboration across State Street's business units to support a unified approach to serving official institution clients.

Prior to joining State Street Investment Management, Ellie was Managing Director of the Economic and Monetary Policy Institute and the Sustainability Policy Institute, as well as Head of Europe Programmes, at the Official Monetary and Financial Institutions Forum (OMFIF). Earlier in her career, she held positions at Chatham House (Royal Institute of International Affairs), the U.K. House of Commons, and the Social Market Foundation.

Ms. Groves holds a Bachelor of Science in Politics from the University of Bristol and is FCA-regulated as a Senior Finance Manager.
