

SPEAKER PROFILE

Awanthi Senaratne

.....
***Additional Secretary (Development)
Highways And Urban Development
Ministry Of Transport***

Ms. Senaratne is a senior public sector professional with over two decades of government service and significant leadership experience in Sri Lanka's transport sector. She is currently overseeing key initiatives in national transport planning and sector development. Her previous roles include vice chairman of Airport and Aviation Services (Sri Lanka) Ltd. and director of civil aviation, where she contributed to aviation policy, regulation, and international engagement. Her expertise spans multimodal transport planning, aviation management, infrastructure administration, and public sector governance, with extensive experience in policy coordination and institutional development.
