

**SPEAKER PROFILE**

**Ari Kalliokoski**

.....  
***Principal Transport Specialist  
Asian Development Bank***

Ari Kalliokoski is Principal Transport Specialist in Transport Sector Office of the Asian Development Bank (ADB). Based in PRC Resident Mission, Beijing, he oversees the overall portfolio of transport sector of PRC, Mongolia and Kyrgyz Republic, focusing on complex issues in project implementation, regional transport initiatives, and disaster and emergency situations in the region. Ari is the Project Team Leader in preparing ADB's new facility, Borders Upgrades for Integration, Logistics, and Development (BUILD) for border crossing improvements. He has over 9 years of work experience in ADB in Central and West Asia, and Pacific regions in transport sector. Prior to joining ADB in 2016, Ari worked 18 years as a consultant and one year in the World Bank's country office in Georgia. He obtained his Master's degree (civil engineering) from Oulu University, Finland, in 1995.
