

Viki Farmaki

Senior Global Financials' Analyst, Fundamental
Growth & Core Equities, State Street Global Advisors

Viki is a Vice President of State Street Global Advisors. She is responsible for covering a range of Global Financials, including European and Australian financials and real estate companies and European and US insurance companies.

Viki joined SSGA in July 2016 through its acquisition of GE Asset Management. She joined GEAM in 2010 as an equity research analyst. Prior to joining GEAM, Viki spent 8 years as an Investment Strategist at Millennium BCP. She has also spent 3 years at JPMorgan working as a bank's equity research analyst covering Emerging Markets Banks and a M&A analyst in the Financial Institutions Group.

Viki has a BS in Business Administration from Georgetown University and an MBA in finance with honors from Columbia Business School. She has earned the Chartered Financial Analyst designation and is a member of the CFA Institute.
