SPEAKER PROFILE

Wilson Pak Sang Leung

Transport Specialist
Asian Development Bank

I am a Transport Specialist with the Asian Development Bank's South Asia Sector (SASE) team, focusing exclusively on the South Asia region. I have worked on transport operations and project processing in Maldives, Sri Lanka, India, and Nepal. Currently, I am processing a rural roads loan and a state highway improvement loan in Karnataka, India. I look forward to contributing to discussions and knowledge exchange at the ADB Transport Forum.
