LAUNCH OF E-MARKETPLACE AND PUBLICATIONS

15-19 March 2021

Focus on Water, Xuanpu will Never Slack Off!

Name of Organization	Shanghai Xunpu Purification Technology Co.,Ltd
Location	People's Republic of China
Year Registered	2007

Technology Profile

Xuanpu is famous for its high-quality products in various water-making enterprises, some of which are leading in technology.

The integrated water purification unit has low investment cost, simple operation, and excellent water quality, which is the best

choice for rural water supply under 200,000 people.

Multi-ecological filter bed wetland technology is the most practical process for rural township sewage treatment and environmental protection.
