SPEAKER PROFILE

João Pimentel

Managing Director
Sweroad

João Pimentel is an international transport infrastructure executive with over 25 years of experience across construction management, consulting, and advisory roles in global markets. He has led and delivered complex transport and mobility projects in more than 50 countries, with a strong focus on public-private partnerships (PPP), project portfolio management, and the structuring and financing of large-scale infrastructure initiatives.
Throughout his career, João has held multiple senior leadership positions in both contracting and consulting environments, offering a unique perspective that bridges project execution with strategic advisory. As Managing Director of Sweroad, he oversees international assignments supporting sustainable transport systems, capacity building, and institutional development.

He brings to the ADB Transport Forum a practitioner's perspective on delivering bankable, scalable solutions, combining hands-on construction experience with high-level advisory and leadership across diverse markets.
