SPEAKER PROFILE

Kavitha Manisankar

Social Development and Gender Consultant
Asian Development Bank

Kavitha Manisankar is a Social Development and Gender Consultant currently engaged with LEA Associates South Asia Pvt. Ltd. and the Asian Development Bank. She has experience in social and gender analysis, labour welfare, rural development, and community engagement across infrastructure and development projects. Her work focuses on women's empowerment, livelihoods, accessibility, migration, labour welfare, and inclusive development planning. She also has field experience in Malawi on SEA/SH prevention and response in infrastructure development projects. Her professional expertise includes stakeholder consultations, social impact assessments, gender mainstreaming, and promoting equitable access to services and opportunities for vulnerable communities, including women, migrant workers, and persons with disabilities.
