SPEAKER PROFILE

Amrita Kumar Das

Project Officer (Transport)
Bangladesh Resident Mission
Asian Development Bank

With over 15 years of experience in infrastructure financing, planning, and project management, Amrita is a seasoned professional in the transport sector, with expertise spanning railways, roads, urban transport, and logistics. Currently serving as a Project Officer (Transport) at the Asian Development Bank (ADB), Amrita is responsible for supporting the strategic planning, processing, and implementation of transport projects in Bangladesh. Amrita has extensive experience working across a diverse portfolio of transport subsectors, including railway development, metro systems, bus rapid transit (BRT), and national, regional and rural road networks. His work covers the full project cycle, from concept development and due diligence to procurement, implementation, and completion. Amrita holds a Master's degree in Procurement and Supply Chain Management, a Bachelor's degree in Civil Engineering (with a focus on transportation and environment) from BUET, and a Professional Certificate in Railway Engineering from TU Delft.
