7 – 9 OCTOBER, HANOI, VIETNAM.

LEI WANG

Assistant Treasurer
Client Solutions Division
Treasury Department
Asian Development Bank

Lei "Annie" Wang is Assistant Treasurer in the Client Solutions Division of the Treasury Department at the Asian Development Bank (ADB). She is a seasoned treasury professional with over 25 years of experience in treasury management, debt capital markets, and financial markets, including 15 years managing client-focused treasury solutions at ADB.

In her current role, Annie leads ADB's local currency financing and client solutions, designing and delivering customized funding and risk management solutions for sovereign and non-sovereign borrowers across Asia and the Pacific. Her work spans local currency loans, derivatives, market-linked structures, and innovative financing approaches that support borrowers' funding objectives while contributing to domestic capital and financial market development.

Prior to ADB, Annie built a globally diversified treasury career at S.C. Johnson & Sons Inc., holding senior treasury leadership roles across Europe, Africa and the Near East, North America, and Latin America, before relocating to the Philippines to establish and lead the company's Asia-Pacific regional treasury operations.

Ms. Wang holds a double-major MBA in International Finance and Marketing and is a CFA charterholder.
