

Small and Medium Business  
Development Agency of  
the Republic of Azerbaijan

# **SMALL AND MEDIUM BUSINESS DEVELOPMENT AGENCY (KOBİA) OF THE REPUBLIC OF AZERBAIJAN**

# About KOBIA

- 
- 
- ▶ KOBIA was established by the Decree of the President of the Republic of Azerbaijan dated December 28, 2017.
  - ▶ The Charter and structure of the Agency were approved by the Presidential Decree dated June 26, 2018.
  - ▶ The Agency is a public legal entity that supports the development of SMEs in the country, participates in their regulation, protection of SME interests, and resolution of their problems. It provides various support and services to entrepreneurs, coordinates the services of public and private institutions in this field, and acts as an authorized body in these areas.

# Activities of the Agency within the framework of the implementation of the “Socio-Economic Development Strategy of the Republic of Azerbaijan for 2022–2026

In accordance with Order No. 3378 of the President of the Republic of Azerbaijan dated July 22, 2022, approving the “Socio-Economic Development Strategy of the Republic of Azerbaijan for 2022–2026”, and Order No. F-132 of the Minister of Economy dated August 17, 2022, issued to ensure the implementation of the Strategy within the Ministry of Economy, the Agency acts as the main executing body in the following directions:

- 
- 1. Enhancing the efficiency, targeting, and transparency of support mechanisms for entrepreneurs;**
  - 2. Expanding access of small and medium-sized enterprises (SMEs) to resources, including financial resources;**
  - 3. Broadening and promoting SME awareness and capacity-building opportunities;**
  - 4. Developing the housing and construction sector to improve living standards;**
  - 5. Improving the investment climate for business and establishing infrastructural, technological, and legal frameworks for its monitoring;**
  - 6. Supporting and promoting innovation.**

# Capacity Building

## Model enterprise

A training and practice center based on efficient management methods aimed at improving the effectiveness and competitiveness of small and medium-sized industrial enterprises.

## SME Development Centers (KOBIM)

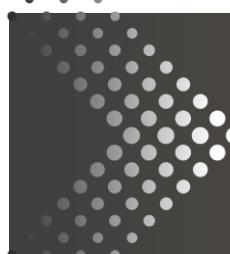

KOBIMs improve the knowledge and skills of micro, small and medium entrepreneurs, expand access to innovation, organize trainings in line with modern challenges and provide practical consulting services which are important for building and developing a business.

## Video training platform

The platform features 180 training videos, divided into 20 different topics. These video trainings cover areas such as starting a business, project management, finance, marketing, tourism and more. The platform also includes presentations of training topics, relevant self-assessment tests, and information about the trainers.
