### ERIC BOUYÉ

Manager  
Product, Knowledge, and Research  
World Bank Treasury

**Eric Bouyé** is the Manager of the Product, Knowledge, and Research team at the World Bank Treasury, where he supports Treasury clients through capacity building and strategic advisory services, particularly within the Reserve Advisory and Management Partnership (RAMP). He is part of the leadership team of the Asset Management and Advisory Department, which serves over 90 official institutions—including central banks, sovereign wealth funds, public pension funds, and trust funds.

With over 25 years of experience in asset management and capital markets, Eric previously served as Senior Strategist at the Fonds de Réserve pour les Retraites (FRR), a French sovereign fund. Prior to that, he held senior roles at Société Générale in Paris and Tokyo, including Director of Investment Products and Strategies.

Eric holds a Ph.D. in Finance from Bayes Business School, University of London, a Master's degree in International Economics and Finance from the University of Bordeaux, and an MSc in Banking and Finance from the University of Birmingham. He has also served as an Adjunct Professor at several institutions, including Sorbonne and the University of Paris.
