

SPEAKER PROFILE

Honor Puciato

.....
***Associate Director
Ricardo (WSP Group)***

Honor is an Associate Director at Ricardo Energy & Environment (WSP Group). She brings over 16 years of senior level experience leading the delivery of complex emission mitigation strategies across the transport sector, with a particular focus on hard to abate industries. Her work spans the UK and Asia, advising major airports and IFIs on policy, regulation, and implementation. She currently leads the ADB's LEZ technical assistance programme.

Honor serves on the British Chamber of Commerce Sustainability and Transport Committee and is a former committee member of the UK Institute of Air Quality Management. As a UK Department for Transport Aviation Ambassador (2023–2025), she works closely with government to shape capability building and support the next generation of sustainable aviation leaders.
