

SPEAKER PROFILE

Sureshkumar OG

.....
***Social Development Specialist
Asian Development Bank***

Sureshkumar OG is a seasoned Social Development Specialist with over 25 years of experience bridging the gap between infrastructure development and social equity. Holding a Master's degree in Sociology, he has served as a lead specialist for numerous high-profile national and international projects. A recognized expert in Poverty and Social Assessment (PSA) studies, Sureshkumar specializes in navigating complex social dynamics to ensure large-scale initiatives are both inclusive and sustainable. As a case study presenter, he brings invaluable "on-the-ground" insights into the socioeconomic impacts of global development frameworks, derived from over two decades of field-leading consultancy.
