## Governance Pathways Toward Building A Post-Pandemic Resilient Economy

25–26 October 2021

Pamela Wyatt  
Principal Public Sector Management Specialist (Governance)  
Pacific Department, Asian Development Bank

Ms. Wyatt has worked across the Pacific on public finance management reforms and in Papua New Guinea on the State-Owned Enterprises Reform Program. Her experience across public sector reform and past experience as a change management professional has been vital in creating excitement for reform and collaborating for strong outcomes.
