

# Innovative Tax Administration A Strategic Workshop

27-29 March 2023 | Tokyo, Japan

## Adam Peel

**Director, BEPS and Pillar Implementation, Australian Taxation Office**

Adam has completed a Master of Taxation, Graduate Diploma in Applied Finance, Graduate Diploma - Institute of Chartered Accountants in Australia and Bachelor of Commerce.

Adam has worked in Public Groups & International leading compliance engagement teams to effectively resolve risk reviews, audits, Mutual Agreement Procedures and Advance Pricing Arrangements on the largest multinationals operating in Australia with complex international transactions and structures across a broad range of industries.

Adam is a delegated Australian Competent Authority and has been Director of BEPS and Pillar Implementation since 2019 and is responsible for the oversight of the ATO's implementation and monitoring of OECD's BEPS initiatives. He currently leads the project management team preparing for the ATO's implementation of the OECD Pillars, pending an Australian Government announcement.
