

## SPEAKER PROFILE

# Joshua Joseph R. Rodriguez

***Director IV for Road Transport  
and Infrastructure,  
Department of Transportation,  
Philippines***

Engr. Joshua Joseph R. Rodriguez is the Director IV for Road Transport and Infrastructure at the Department of Transportation (DOTr). In this role, he oversees the rollout of some of the country's most significant transport infrastructure initiatives, including the EDSA Busway, the Cebu Bus Rapid Transit (BRT) Project, the Davao Public Transport Modernization Project (DPTMP), and the Greenways Project, working under the leadership of Undersecretary Steve Pastor. His work in government builds on a career dedicated to shaping modern, inclusive, and sustainable transport systems. Before assuming his directorial post, he served as Project Manager for the EDSA Busway, where he played a pivotal role in developing what is now a flagship public transport project. A licensed civil engineer and proud graduate of the FEU Institute of Technology, Engr. Rodriguez returned to his alma mater as a faculty member after passing the Civil Engineering Licensure Examination in 2016, sharing both his technical expertise and real-world insights with future engineers. He also recently completed the Civil Service Commission's Leadership and Management Certification Program, equipping him with stronger leadership tools to navigate the demands of public service. Today, he continues to champion innovation and efficiency in the country's road transport sector, striving to deliver infrastructure that improves mobility and uplifts the lives of everyday Filipinos.
