

SPEAKER PROFILE

**Eduardo Danilo F.
Macabulos**

.....

*Assistant Secretary for Railways
Department of Transportation,
Philippines*

Eduardo Danilo F. Macabulos currently serves as Assistant Secretary for Railways at the Department of Transportation (DOTr) of the Philippines. In this role, he supports the planning, coordination, and implementation of the country's railway and urban transit projects under the Railways sector. He works closely with the DOTr leadership and rail agencies in advancing major transport infrastructure initiatives aimed at improving mobility, connectivity, and commuter services nationwide. He also serves in leadership and oversight functions related to rail transport development and operations. Asec. Macabulos is part of the DOTr team responsible for accelerating strategic railway projects and strengthening the country's public transportation network.
