

SPEAKER PROFILE

Nodir Khudayberdiev

.....
Project Manager
Ministry of Transport, Uzbekistan

Mr. Khudayberdiev is Project Manager at the Ministry of Transport of Uzbekistan, leading the “Accelerating Investments in Low-Emission Vehicles in Tashkent” project with UNDP and GEF. With 15 years of experience in public transport regulation, sustainable mobility, and transport digitalisation, he has held various positions at the Ministry of Transport of Uzbekistan. His key achievements include removing legal barriers for women to become bus drivers and initiating Uzbekistan’s first Green Urban Transport Corridor.
